Ideathon for young innovators on Aug 10

Mangaluru: EVRY India Pvt Ltd, in association with K-Tech Innovation Center of Mangalore Institute of Technology and Engineering (MITE) will host 'Ideathon' at MITE campus on August 10. The Ideathon with its tagline — think, create, re-imagine — is a short, intensive, workshop-like experience for students to address some of the most pressing challenges of engineering and services.

It looks at bridging the gap between problems and problem-solvers. EVRY with MITE aims at providing a platform where young innovators would propose solutions that are unique and sustainable for cases by EVRY India. Students of engineering from streams of CSE, ISE, ECE, and EEE who have completed their 6th semester are eligible. Team size should be between 1-4 members and cannot be altered or modified once registered. A participant cannot be part of more than one team.

Register at bit.ly/elideathon not later than August 6 and the event is open only for the first fifty teams that register. TNN

Together EVRY along with MITE intended at providing a platform where young innovators would propose solutions that are unique and sustainable for the use cases by EVRY India. This Ideathon would have over 26 participants from varied fields of engineering with a passion for technology, evolve solutions that are disruptive. This was a conglomeration of young minds with veterans from Industry. Bringing together the experience and zeal to unleash the best Industry solutions. Students of Engineering from streams of CSE, ISE, ECE, and EEE who have completed their 6th semester participated. Team size were between 1-4 members

About EVRY India:

EVRY India is a wholly owned subsidiary of EVRY, the largest Nordic IT Group. EVRY's global footprint includes office locations across the US, India and group offices in Europe and operates through multiple offshore development centers in Bangalore and Chandigarh, India. EVRY India has formed deep-rooted relationships with global enterprises including Fortune 1000 companies, software firms (ISVs), and tech start-ups. EVRY India focuses on optimizing and aligning clients' IT initiatives with business strategies, reduce cost, and assist clients to reach global markets faster.

3. Panduranga Nayak, Dept. of CSE and Abdul Affou, Dept. of ISE - Third Place

CHANGEATHON 2.0 24-Hours Hackathon

10.00 AM November 15, 2019 to 01.00 PM November 16, 2019

The **MITE NAIN Innovation Center** in association with the **MITE Open Source Community & Hackerearth** organized the 2nd edition of the 24-hours hackathon series CHANCEATHON 2.0 on the 15th and 16th of November, 2019.

It was a two-phase hackathon; the first phase was the idea submission phase (6th November-14th November). There was 80+ registration from all the departments in the college. This was followed by an idea shortlisting phase and the selected teams were shortlisted for the 24-hours overnight hackathon. The hackathon began at 10:AM on Friday 15th November and the Teams were given time up to 10:AM on the next day to build on their ideas. Once the 24-hours building phase was completed all the teams had to pitch their ideas to the judges, the judges then scored the teams

accordingly and the winners were declared. The Judges were Achal R Poonja, Ex-Student Chair, IEEE MITE, and Adithya, Alumni of MITE.

The winning teams were given cash prizes and internship offers from Pace Wisdom Solutions Pvt Ltd. They are also shortlisted for Phase 2 of NAIN projects to be submitted to Govt. of Karnataka.
