Activities report for the Academic Year 2018-19

Sl. No	Activity	Description	Photo Reference
1	Visit to Chethana Special School, Karkala	As a conscious organization MITE strives for inclusiveness in every sphere. It is predominantly important to cater to the specially challenged sections of the society. As a part of human values and social awareness, MITE Students Visited Chetana Special School, Karkala on August 15th, 2018. Spent a memorable time with the students of that special school and donated the valuables. A special program was organized to entertain the students.	Fig.1
2	Visit to "Vijetha Special School, Karkala	On 15 th August 2018 Independence Day, faculty and students of the MITE visited the "Vijetha Special School, Karkala". Dr. G L Easwara Prasad Principal MITE addressed the gathering on the requirements and social responsibility of every individual towards specially abled people in the society. The staff & students of MITE and Vijetha school inmates were enthralled as the special children performed on this occasion. Around 65 specially challenged students were provided with valuables from the NSS-MITE. The students and staff of MITE spent a day with specially challenged students. From last three years, NSS-MITE volunteers visiting this special school and supports financially and morally.	Fig.2

3	Environmental Awareness Programme	<p>On Teachers Day, 5th September 2018, NSS-MITE conducted a memorable Environmental Awareness Program in the college premises. Over 250 students of MITE participated in the event. The main objective of this event is to create awareness about environment. The awareness is all about the hygiene and sanitation, keeping the environment clean (Swachh Bharath) save water and river, save girl child (Bethi Bachavo) and Physical fitness (Healthy India).</p> <p>Dr. G L Easwara Prasad Principal, MITE addressed the gathering, stressing on objectives of environmental awareness program.</p> <p>During the event, NSS volunteers exchanged their views on adverse effect of usage of plastics, and its impact on health and environment, segregation and proper disposal of garbage. The event also stressed on cleanliness and its impact on the environment. Highlighting the recent scarcity of water in the region, the event also propagated the need to save water for next generation.</p>	Fig.3
4	50 th NSS Day Celebration	<p>The National Service Scheme is an Indian government sponsored public service program conducted by the Ministry of youth affairs. This was launched on 24th November 1969. This year is the 50th year of the NSS. In this regard, on 24th November 2018, NSS-MITE team has celebrated 50th NSS day in the MITE Premises. The Vice Principal Dr. C R Rajashekar addressed the volunteers and explained the objectives of the NSS. A T-shirt of NSS-MITE with NSS motto was distributed to all the NSS volunteers to encourage students to actively take part in the NSS events</p>	Fig.4
5	Road Safety and Accident Awareness Program	<p>NSS-MITE chapter has conducted a program on road safety and accident awareness on 26th November 2018.
