

List of Events for the year 2015-16

Sl no	Date	Event	Topic	Resource person
1.	10 th March 2016	Technical Talks	Entrepreneurship for Engineers: Government of India support	K.Socrates, Deputy Director, Ministry of MSME, Yeyyadi Industrial area, Manglore
2.	10 th March 2016	Technical Talks	Evaluation of Mechatronics to Micro-Mechatronics	Dr S M Kulkarni, Professor, Mechanical Department, NITK Surathkal.
3.	24 th February 2016.	Technical Talks	Theory and application of Gyroscope	Dr S M Kulkarni, Professor, Mechanical Department, NITK Surathkal.
4.	7 th October 2015.	Technical Talks	Preparation Methodologies for GATE Exams	Resource Person: Mr. Kiran N Bhat, Asst Professor, SMVITM, Udupi.
5.	28 th September 2015.	Technical Talks	Role of Engineers in Nation Building.	Rtn, PHF MAJ. Gen. M V Bhat
6.	14 th September 2015.	workshops	ROBOTICS AND ENGINE AUTOMATION	Mr. Venkatesh, Mr. Amir Khan, Mr. Sanjay, IIT Bhubaneshwar

Technical Talks

Title: Entrepreneurship for Engineers: Government of India support

Resource Person: K.Socrates,

Deputy Director, Ministry of MSME, Yeyyadi Industrial area, Manglore

Date: 10th March 2016

Target Audience: 4th year students.

The talk was presented on the topic “Entrepreneurship for Engineers: Government of India support”. He explained about importance of Entrepreneurship for Engineers and Current Government rules and regulations to start the Business.

Title: Evaluation of Mechatronics to Micro-Mechatronics

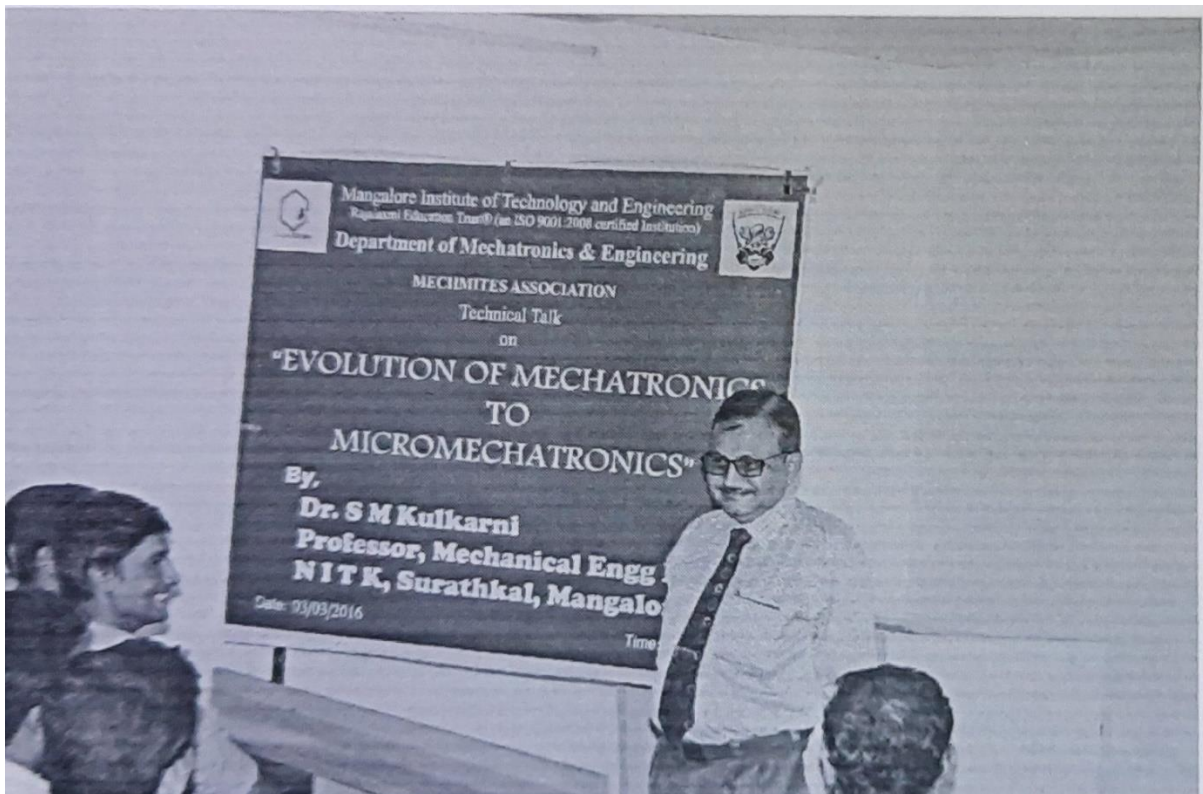

Resource Person: Dr S M Kulkarni,

Professor, Mechanical Department, NITK Surathkal.

Date: 3rd March 2016.

Target Audience: 3rd year students.

The talk was presented on the topic “Evolution of Mechatronics to Micromechatronics”. He explained Evolution of Mechatronics in different application areas

Title: Theory and application of Gyroscope

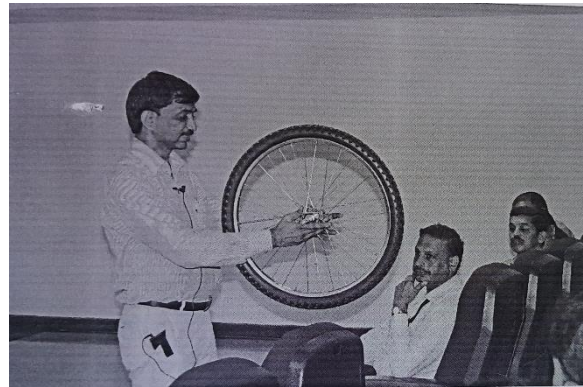

Resource Person: Dr S M Kulkarni,

Professor, Mechanical Department, NITK Surathkal.

Date: 24th February 2016.

Target Audience: 3rd year students.

The talk was presented on the topic “Theory and application of Gyroscope”. The speaker explained the gyroscopic effect by demonstrating models.

Title: Preparation Methodologies for GATE Exams

Resource Person: Mr. Kiran N Bhat,

Asst Professor, SMVITM, Udupi.

Date: 7th October 2015.

Target Audience: 3rd year students.

Speaker gave a brief introduction about GATE, Research opportunities and placements. Also explained about the scheme and pattern of GATE exam

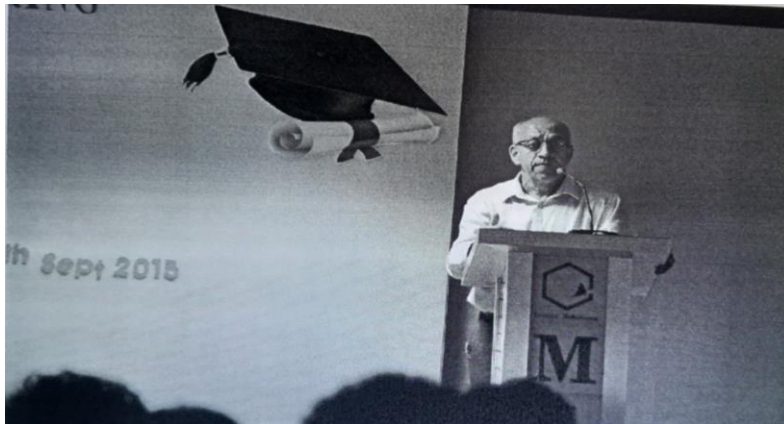

Title: Role of Engineers in Nation Building.

Resource Person: Rtn, PHF MAJ. Gen. M V Bhat

Date: 28th September 2015.

Target Audience: 2nd year students.

Speaker advised about how to get success in life and spoke regarding the role of engineers in defence sector.

Workshop

Title: ROBOTICS AND ENGINE AUTOMATION

Resource Person: Mr. Venkatesh, Mr. Amir Khan, Mr. Sanjay,
IIT Bhubaneshwar.

Date: 14th September 2015.

Target Audience: 2nd year and 3rd year students.

The workshop focused on the need and advanced use of robots and its applications. A hands on session was done with robot kit where participants made their own programs using the software and executed the robot function.
