Sir,

Subject: Girls go-kart vehicle Project 2017 proposal....

Indian Kart racing 2017 (IKRC) is organizing an event at Coimbatore during December 2017. I am happy to inform a Team of 15 Girls of Mechanical Engineering and other branches are designing and fabricating a go kart vehicle and for the same our faculty Mr. Yajnesh P, Shettigar is assigned as the Principal Investigator.

He is responsible for guiding the students during the design and fabrication process. All the planning and implementation details will be monitored by him.

This project will help the students to get practical exposure in the field of Automotive Engineering and would bring good name for the department and the Institution. The team requires financial assistance from the Institution.

I'm forwarding the proposal for your kind and favorable consideration.

Yours Sincerely,

HOD
Mechanical Engineering
MITE,
Moodabidri.

Sir,

Subject: Go-kart Project proposal 2018

The SAE INDIA Collegiate club is organizing Go-kart championship from 23rd to 26th march 2018. I am happy that 16 students from Mechanical, 3 students from Mechatronics and 1 from E&C of MITE are involved in this vehicle and confident in winning the price. This vehicle has been developed under the supervision of Mr. Yajnesha P Shettigar. All planning and implementation details were monitored by him.

The students have requested a financial assistance of 30,000/- towards vehicle transportation to Jalandhar, Punjab for competition. This project may bring a good name for the department and college in particular; hence I request to consider their proposal.

Thanking You,

Yours Sincerely,

Ravishankar

Subject: Request for financial support for our project

Respected Sir,

Team Altimas is a go kart building motorsport team from MITE which has been designing and fabricating go karts for the past 3 years. We have participated in various National and International level competitions and have had successful seasons. Our team won 6th place in IGC, LPU 2016, 4th place overall and 3rd place in the endurance event of the 2017 season.

This year we are participating in the International Go-karting Championship, LPU 2018. There are 20 future engineers in our team, out of which 16 are from Mechanical Department, 3 from Mechatronics Department and 1 from E&C Department. To build the kart this year, the total expenses have come up to almost 1.2 lakhs. I, on behalf of my team, request the management to please support us financially and help us have another successful season at this competition. Please do consider our plea for financial support.

Yours faithfully,

Rohan

Dear Sir,

Subject: Financial Support for the Go-kart Project titled 'TEAM ALTIMAS RACING'

Hereby we would like to inform you that after going through the request letter regarding the Go-kart Project started by our Mechanical, E&C and Mechatronics Engineering branch students titled 'TEAM ALTIMAS RACING', we have been decided to support the students with the financial assistance by funding the amount of Rs. 30,000/-.

This has to be distributed among the following departments.

Mechanical Engineering-Rs.20,000/- (MECH - MITE)

Mechatronics Engineering – Rs.5,000/- (Mac - X)

Electronics & Communication Engineering – Rs.5,000/- (ECSE - MITE)

Wishing all the best to all the students for their upcoming projects.

Dear Sir/ Madam,

SUBJECT: Request to receive the supporting amount for the Eco kart championship 2017.

We the group of students from Dept of Mechatronics and Aeronautical Engineering under the team name **TEAM OCTON RACING** participated in Eco-kart championship and won **BEST DESIGN OF YEAR 2017**. As per the instruction of chairman, we are permitted to collect the supporting money of Rs: 25 000 -.

So, we request you to sanction the supporting money at the earliest under the name **TEAM OCTON RACING**.

Team Name: **TEAM OCTON RACING** (Team ID: 201730030)

Team Captain: **Ramesh K M**

Team Manager: **Vinaykumar M Naik**

Team Vice-Captain: **Naresh K R**

Team Mentor: **Dr Lokeshu M, Dept. of Mechanical Engineering.**

Mr. Sathyanarayana, HOD Dept. of Mechatronics Engineering

Respected Sir

Subject: Formula Car Project proposal....

SAE India Chapter is organizing a All India Formula racing event at Coimbatore on 6th October 2017. I am happy to inform that a Team of 26 Students of Mechanical Engineering and allied branches are designing and developing a racing car for the same under our faculty guidance and taking part in it. Mr. Sunil Kumar S has been assigned as the Principal investigator for the proposed project. This project will help the students to get practical exposure in the field of Automotive Engineering and would bring good name for the department and the Institution. The team requires financial assistance from the Institution.

I'm forwarding the proposal for your kind and favorable consideration.

Yours Sincerely,

Subject: SAE Baja Project 2017 proposal.....

SAE India Chapter is organising an **All Terrain Vehicle** racing event at Indore during February 2017. I am happy to inform that a team of students of Mechanical Engineering are building a racing car for the same under the guidance of Mr. Aveen K P, who is the Principal Investigator of the project.

He is responsible for guiding the students through the design and fabrication process. All planning and implementation details will be monitored by him.

The students require some kind of financial assistance as it bring good name for the department and the college in particular. The team will be using some parts from the previous year car, but still require assistance in procuring new drive trains, new tires and transportation. The students are very enthusiastic and eager to participate.

I'm forwarding the proposal for your kind consideration.

Karlsruhe

Yours Sincerely,

HOD
Mechanical Engineering
Mangalore Institute of Technology & Engineering
Moodabidri.

Sanction Order

Sub: Project Proposal-SAE Baja Project 2017

I am pleased to inform you that as per the meeting of the Trustees of Rajalaxmi Educational Trust held on 06/02/2017 has sanctioned the financial support of Rs.55,000/- for the research project submitted by Mechanical Engineering department titled:SAE Baja Project 2017.

We accepted to support the investment for the development of SAE Baja Project 2017..

You shall have to execute intermediate project progress report to the Trust.

DEPARTMENT OF MECHANICAL ENGINEERING

Submitted to the Chairman, Rajalaxmi Educational Trust :

Through
The Principal,
MITE,
Moodabidri.

We would like to express our sincere gratitude for your continuous support for all the activities conducted by our department, specifically the All-Terrain Vehicle (ATV) and Go-Kart vehicle of last year for your financial support and concurrent advice from time to time.

BAJA SAEINDIA is a National level engineering competition. The objective of the competition is to ☒ Design and Manufacture a Single Seat ALL TERRAIN VEHICLE in accordance to the Rules set down by the organizer-Society of Automotive Engineers, India of the competition. BAJA SAEINDIA is held every year in the month of February and this year BAJA SAE INDIA 2017 will held at the NATRIP site at Pithampur in Madhya Pradesh. Pithampur is situated on the outskirts of Indore.

We are happy to bring to your kind notice that a team students of our department, who are studying in 6th and 8th semester have engineered and manufactured a single seat ALL TERRAIN VEHICLE, which was developed by previous year students suiting to BAJA SAE INIDIA 2017 competition.

In order to reduce the transportation cost of the vehicle to Pithambur in Madhya Pradesh, our students have associated with other three neighboring engineering collegesstudents, which amounts to INR 2, 20,000(Two lakhs twenty thousand only) . The individual team will have to bear Rs 55,000/- (Fifty five thousand only) transportation cost. Kindly refer to the enclosures of transportation cost quotation herewith.

Your contribution in sponsoring transportation cost would immensely encourage students that would make a huge difference for student community to scale up new heights in engineering specializations.

The department is ready to take the responsibility of conveying the amount to the team of students.

Kindly do the needful Sir,

Thanks and regards,

Yours faithfully,

Rajashankar

Sir,

(Sub: To allot money for transportation of ATV to Baja SAE 2017)

We have raised 3.95 lakhs for building and registering of our All Terrain Vehicle at Baja SAE 2017, It is going to be held at Indore from 15th Feb to 21st Feb.

We need an estimated Rs.55,000 to transport our vehicle to the event, we ask for your assistance in the same.

Regards,

Harish M Shenoy

Sir,

Subject: SAE Baja Project proposal....

SAE India Chapter is organizing an All terrain Vehicle racing event at Indore during February 2016. I am happy to inform a Team of 26 Students of Mechanical Engineering is building a racing car for the same under our Mr. Rahul Sanjiv who is the Principal Investigator.

He is responsible for guiding the students during the design and fabrication process. All the planning and implementation details will be monitored by him.

The students require some kind of financial assistance as it bring good name for the department. The students are very enthusiastic, and eager to participate.

I'm forwarding the proposal for your kind and favorable consideration.

Yours Sincerely,

[Signature]

Dear Sir,

Subject: SAE BAJA project-reg.....

A group of 30 students of Mechanical Engineering students have participated in SAE Baja, an ATV building engineering event organised by SAE (Society of Automotive Engineers) in the month of March 2015.

I'm extremely happy to inform you that our college team has qualified for Baja Student India and BAJA main event. As of now, our team is in 14th place across the country. They need to design and fabricate the entire vehicle to suit the requirements of SAE Baja. They require various resources and infrastructure for the project. The detailed breakdown is enclosed.

The students are planning to procure the important resources and start building the vehicle at the earliest. The total cost of the project is around **Rs 8 lakhs**.

Kindly request you to consider their proposal.

Thanking you,

Yours sincerely,

Mr. Rahul Sanjiv

MANGALORE INSTITUTE OF TECHNOLOGY AND ENGINEERING

(An ISO 9001: 2015 Certified Institution)

(Affiliated to Visvesvaraya Technological University Belagavi)

Badaga Mijar, Moodabidri-574225, Karnataka

Entrepreneurship Development Cell (EDC)

Preamble

The objective of promoting entrepreneurship among the youth is to nurture a passion for self-employment. This will open gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of technopreneurs and more avenues of employment opportunities, thus turning job seekers into job creators. This leads the nation towards industrial excellence and self-reliance. The Entrepreneurship Development Cell of the college aims towards achieving the same.

College hosts a well-furnished, state of art Incubation Centre to provide office space & equipment, technology support and seed capital to nurture the upcoming entrepreneurial talents. It offers a more robust and approachable facility to the individuals who have high entrepreneur ambitions. Conduction Entrepreneurship Awareness Program (EAP)- the new generation entrepreneurs, corporate executives, guest speakers on various domains covering technology & management are invited to guide and motivate students. Industrial Visits are part of EAP, which is a great source to gain practical knowledge.

POST PROGRAMME REPORT (PPR)

By

**MANGALORE INSTITUTE OF TECHNOLOGY &
ENGINEERING, BADAGA MIJAR-574225**

DAY 1(27-09-2018) – Session 1 & 2

An Entrepreneurship Awareness camp (EAC) is conducted at Mangalore Institute of Technology & Engineering (MITE) by the Entrepreneurship Development Cell (EDC) from 27th -29th September 2018. The three-day EAC was inaugurated by Mr. Ananth G Pai, Executive Director of Bharath Group, Mangaluru at MITE, Moodabidri. The EAC is conducted by EDC-MITE in association with National Science & Technology Entrepreneurship Development Board (NSTEDB) and Entrepreneurship Development Institute of India (EDII) Ahmadabad.

Inaugural speech by Mr. Ananth G Pai

The Chief Guest Mr. Ananth G Pai in his address, he explained the change in approach of entrepreneurship from olden days to new generation and the influence of technology within it. Young entrepreneur should use the technology as a tool for the development of their firm. While addressing the students as entrepreneurs he asked the students to identify the new ideas and to perform SWOT analysis for the same.

If students are willing to become an entrepreneur, there will be lot of encouragements from Central and State Government through various schemes. Even few non-government agencies through angel funding use to support the young entrepreneur for their startups. India being a largest workforce for the world should utilize the manpower to support the economic growth of the nation.

Highlighting the role of EDC, he pointed that **‘Entrepreneurs cannot be found but only be invented’**. Mr. Pai also mentioned that ‘the Institute has to Innovate, Invest in Innovation and Introduce the Invention to market’. Education should not be limited to finding a job but it must dwell to shape better citizens who are self- reliant he said.

Dr. G L Easwara Prasad, Principal, MITE welcomed the gathering and gave a brief about the initiatives taken by the Institute in developing Entrepreneurs. He said that the Institute has been proactive and has successfully created 20+ entrepreneurs in the last Six years. With the magnitude and vision of the Organization, and such Entrepreneurship camps, more number of Entrepreneurs could be created in the future. He urged students to realize their purpose of life which would in turn aid them to flourish in their career.

He said that education and entrepreneurship are complimentary in modern days and one has to work towards growing above academics by exploring opportunities by organizations like EDII. He also mentioned about the growth of entrepreneurs from the Institute and noted that in the second decade of inception, the institute aims at developing more Entrepreneurs along with Research & Development activities.

Mr. Sathyanarayana, Head, Mechatronics Dept and Convener of EAC, presented a brief of the importance of organizing such camps. The main objective of the camp is to create awareness among the students about the various facets of Entrepreneurship as a career option. The camp will highlight how creativity is essential for success of an entrepreneur and is also aimed at motivating entrepreneurship in individuals.

DAY 1 (27-09-2018) - Session 3 & 4

In the afternoon session, Mr. Prajwal V Kumar, gave a talk on ‘Identification of Business opportunities’.

ENTREPRENEURSHIP AWARENESS CAMP

DST-NIMAT PROJECT 2017-18

Implemented by:

Entrepreneurship Development Institute of India (EDI), Ahmedabad

Under the aegis of:

**The National Science & Technology Entrepreneurship Development Board, DST,
Govt. of India**

Date: 21st September – 23rd September 2017

POST PROGRAMME REPORT (PPR)

By

**MANGALORE INSTITUTE OF TECHNOLOGY & ENGINEERING, BADAGA
MIJAR-574225**

DAY 1(21-09-2017) – Session 1 & 2

An Entrepreneurship Awareness camp (EAC) is conducted at Mangalore Institute of Technology & Engineering (MITE) by the Entrepreneurship Development Cell (EDC) from 21st-23rd September 2017. The three-day EAC was inaugurated by Mr. Rangaprasad S N, Director of MSME Development Institute, Bengaluru at MITE, Moodabidre. The EAC is conducted by EDC-MITE in association with National Science & Technology Entrepreneurship Development Board (NSTEDB) and Entrepreneurship Development Institute of India (EDII) Ahmadabad.

Session by Mr. Rangaprasad S N

The Chief Guest Mr. Rangaprasad S N addressing the students as entrepreneurs asked **students to travel, meet new people and explore new avenues while remaining true to their roots**. Mr. Rangaprasad said that the world is for the fittest and it is this instinct of the survival of the fittest which drives entrepreneurs. He asked students to perform SWOT analysis and discover themselves. Confidence and positive attitude he said is an inherent quality of every entrepreneur.

Session by Mr. Rangaprasad S N

The Guest of honor Mr. K Socrates, said that the Institute has been proactive and has successfully created 20+ entrepreneurs in the last Five years. With the magnitude and vision of the Organization, and such Entrepreneurship camps, more number of Entrepreneurs could be created in the future. He urged students to realize their purpose of life which would in turn aid them to flourish in their career. Highlighting the role of EDC, he pointed that ‘**Entrepreneurs cannot be found but only be invented**’. Mr. Socrates also mentioned that ‘the Institute has to Innovate, Invest in Innovation and Introduce the Invention to market’. Education should not be limited to finding a job but it must dwell to shape better citizens who are self-reliant he said.

Dr. G L Easwara Prasad, Principal, MITE welcomed the gathering and gave a brief about the initiatives taken by the Institute in developing Entrepreneurs. He said that education and entrepreneurship are complimentary in modern days and one has to work towards growing above academics by exploring opportunities by organizations like EDII. He also mentioned about the growth of entrepreneurs from the Institute and noted that in the second decade of inception, the institute aims at developing more Entrepreneurs along with Research & Development activities.

Mr. Sathyanarayana, Head, Mechatronics Dept and Convener of EAC, presented a brief of the importance of organizing such camps. The main objective of the camp is to create awareness among the students about the various facets of Entrepreneurship as a career option. The camp

will highlight how creativity is essential for success of an entrepreneur and is also aimed at motivating entrepreneurship in individuals.

DAY 1 (21-09-2017) - Session 3 & 4

Session by Mr. Sundara Sherigara M

Day 3 (23-09-2017) - Session 1

The Speaker of the session was **Mr. Rithesh**, Founder and CEO, Infinite Solution, Pvt Ltd Bangalore. He is also an alumnus of MITE. He started sharing his experience through the initial struggle in basically work with Hong Kong based companies dealing with Business to Business and Business to client basis.

Session by Mr. Rithesh

His own example of how to look into this situation as an ideal opportunity to take up the challenges in capturing South Asia and Middle Eastern markets. He inspired the students with his never give-up concepts.

Session by Mr. Rithesh

Day 3 (23-09-2017) Industrial Visit

The last session was an Industrial Visit. Students visited RMC Readymix (India), Mangalore. RMC Readymix (India), Mangalore [A Division of Prism Cement Limited] is one of the largest ready-mixed concrete manufacturers in India. Set up way back in 1996, RMC India expanded business rapidly and currently operates a total of 88 ready-mixed concrete and aggregate crushing plants in 40 towns and cities across the nation.

The Commercial Concrete Vertical is RMC India's core business which not only caters to the needs of metro cities and semi-urban areas, but also serves as a steadfast contributor to the prolific development of urbane India. The Company caters to a gamut of concrete requirements encompassing lofty buildings to a cherished individual house, solutions for mild exposure to the harshest of off shore works, for soft and aesthetic requirements to the jumbo strength & performance required for prestigious infra and industrial projects.
