III. UNNAT BHARATH ABHIYAN (UBA)

UBA is one of the most successful and effective programs rolled out by the Government of India for the development of rural India. Under this program Institutes are encouraged to adopt villages from the neighbourhood and run developmental projects for the overall development of those villages. MITE as an institute has adopted the following 5 villages under UBA program and has effectively run several projects:

- Kantavara
- Beluvai
- Sooda
- Kalmandkur
- Paladka

Students take active part in organising programs under UBA and this experience helps them to shape up as better managers. There is a great deal of management learning involved in planning and implementing developmental projects for the villagers.

Some of the important projects conducted are:

1. Mega survey of households of all the 5 UBA villages and submission of reports to the GOI.
2. Conducting Health camps in these villages in collaboration with Rotary Club, Karkala and TMA Pai community hospital, Karkala.

UNNAT BHARAT ABHIYAN (UBA)

Unnath Bharat Abhiyan (UBA) is a program started by the Government of India with a Vision to involve the reputed higher educational institutes of the country in the process of indigenous development of self-sufficient and sustainable village clusters. The Objectives of UBA include engaging faculty and students of higher educational institutions in understanding rural realities, identifying and selecting existing innovative technologies, enable customization of technologies, or device implementation method for innovative solutions as per the local needs.

MITE is a participant institution under UBA and has adopted 5 neighboring villages viz Kanthavara, Sooda, Beluvai, Paladka, Kalla Mundkur.

Students of MITE actively engage themselves with Unnath Bharat Abhiyan activities. To start with, the members of UBA conducted a door-to-door survey of about 4500 households in these five villages. The survey included collecting data on demographic and socio-economic status of the village population. Additionally several programs were conducted by the students at these villages which included Medical camps, Village development plans, Extension, Computer literacy, Swach Bharat Abhiyan activities, etc.

ACTIVITY 1: UNNATH BHARAT ABHIYAN VILLAGE SURVEY AND HOUSEHOLD SURVEY OF 5 ADOPTED VILLAGES IN 2087 HOUSEHOLDS

Unnat Bharat Abhiyan is the initiative from the central government through Indian Institute of Technology, Delhi. This programme aims at the sustainable development rural India. The participating higher education institutions have to extend their services to the adopted villages. The institutions must develop linkage with the villages and get involved in the planning process of the village development. To understand the present status of the village, the primary task is to conduct two surveys the selected villages. They are Village survey and Baseline household survey.

MITE UBA conducted the **Village surveys** and **Baseline household surveys** for all the 5 villages in its fold in 1787 households. These surveys were done by a team of 105 students from MBA department and 5 faculty members using the standard questionnaires specified by UBA (See Annexures). It was done in a planned manner with formation of several teams who were allocated different areas for survey. 5 villages were divided into 2 clusters and surveys were organised for these two clusters on 2 different days.

At the end of the successful survey exercise all the data are uploaded to the UBA website. UBA has given a grant of Rs 50,000 towards this survey exercise.

B. HOUSEHOLD BASELINE SURVEYS:

Date: 14th December, 2019

Duration: 09:00 AM to 04:30 PM

Venue: Paladka, Beluvai and Kallamundkur villages.

Survey Team: First year MBA students – 2019 batch

Students at Household and Baseline Survey

On 14th December 2019, 1st year MBA student of 2019 batch started the household survey at 09.00 AM. Students were divided in to three groups, one each for Paladka, Beluvai and Kallamundkur villages. Further based on the PDOs suggestion, these three groups are subdivided in to different small groups based on ward location.

The students groups started interviewing households in different groups in different places of the village. The response of the households was good and supportive. However, as the distance between the houses were little lengthy

student took average of 15 minutes to complete one household survey while the target was 10 minutes.

Logistics team supplied the Brunch and Lunch for all the student teams. Food was prepared at Beluvai, with proper planning of the logistics team, all the students in the field got food on time.

At the end of the day, 385 households of Kallamundkur village, 531 of Beluvai and 280 households of Paladka village were interviewed.

Students enjoyed the survey job and that was a great learning from planning, logistics, interview management perspective. Prof. Jayadeva Prasad, HOD – MBA, K Abhaya Kumar, Pradeep Kumar BR, Ajith Dmello, Varuk K and Surjith Ram were present during the survey activity.

CONCLUSION:

1. Base line surveys of all the 5 villages have been successfully uploaded on the UBA portal of GOI as per their requirement.
2. Based on the surveys the following areas of village development have been identified, to be carried out by MITE:
 - Free Medical camps for the villages through suitable hospitals to improve awareness about health and aid detection and treatment of diseases.
 - Digital, Financial literacy and career guidance workshops at village and school levels to improve the awareness level of people.
 - Intensive cleaning and Swach Bharath campaign to be carried out in all the villages to improve health and sanitation.
 - Village development plans to be drawn and submitted to the local authorities to improve village infrastructure.

Accordingly, MITE has initiated UBA work in all the 5 adopted villages on all the identified areas. A concise report on activities conducted during the year 2019-20 follows:

IV. ECOLOGICAL (ECO) CLUB

ECO Club is a forum for students to come together and work towards protecting our Environment and Ecology. Students plan and execute several programs both inside and outside the campus like street plays on ecology, spreading awareness about conservation, planting trees, sensitizing young high-school kids on the environment. This Club helps develop softer side of managerial personality in terms of care and concern for nature. It helps them develop as responsible citizens. Students learn as well as enjoy their learning through these activities.

Through this club we strive to engage students in spreading awareness about Ecology and Green initiatives. Street plays, lectures, Swachh Bharath Abhiyan are some of the activities under this banner.

Activity: Street Play on Environment Protection

09.03.2020

On 9th March, 2020 students of Eco club performed street plays at Moodabidri Bus stop and near Nishmitha Towers to spread awareness about saving trees and water for better tomorrow. The theme of street play was Environment protection. The students equated protection of women to protection of environment. In both the Indian as well as the global context, Women and Environment safety are not adequately addressed.

ECO CLUB

“SAVE TREES, SAVE ENVIRONMENT”

Date: 20-09-2019

Duration: 2.00PM – 3.45 PM

Target Audience: School children of Government primary school, Paladka

Brief about the Event:

“SAVE TREES, SAVE ENVIRONMENT” was the motto of the programme which was organized by ECO CLUB members on 20th September, 2019 at Government primary school, Paladka. The programme began with the stage function. Headmistress of the school along with other teaching faculty and Prof Ajith DMello, ECO CLUB coordinator were on the dais. The Headmistress welcomed the gathering. Mr. Vikesh and Ms Ponnamma of ECO club spoke about the necessity of saving trees and taking care of Mother Nature.

Prof Ajith Dmello in his interaction with the school children told that planting trees will not be effective if we do not take pledge to safeguard it. Later on end of the programme saplings were planted. 60 students of the school along with their teachers and 27 of ECO club members actively participated in the programme.

Activity: RECYCLING OF USED PAPERS – AN EXERCISE 27.10.2018

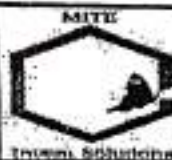

During October, 2018 ECO Club members from the Department of MBA planned an innovative activity to spread awareness about Recycling of paper waste. The idea was to actually collect waste from the college and households and sell it for recycling. The money collected could then be utilized to donate stationery items to children of a nearby school. This exercise would stand as a live example to promote waste recycling among students of both MITE and the nearby school.

Accordingly 22 members of ECO Club started collecting used and unused papers from the students. The club members spread awareness among student community in the campus about proper utilization of used and unused papers from their note books and their households. The Club members collected all 'waste papers' from the students and sold them to a book mart and purchased new books using that revenue. This unique initiative received favorable response from students of MBA. A total of Rs 2,500 was generated as a result of this exercise which was used to donate stationery items to the students of the Government lower primary school, Kadandale, Paladka.

Activity : Recycling lesson, Government School, Paladka 05.11.2018

Around 25 ECO Club members of MITE MBA visited Government primary school, Kadandale, Paladka on 5th November, 2018. The ECO Club distributed stationery items to the poor and needy children of the school purchased from the money they generated by recycling waste. Club members spoke about recycling of papers and the need for saving trees for future. They were briefed about the exercise of recycling undertaken by the ECO Club - How waste was collected from the college, sold for recycling and stationeries bought for them from the money generated. This simple exercise made very convincing and lasting impression in the young minds of school children about waste recycling. Many students appreciated the act and promised to engage in careful collection and recycling of 'Raddi' waste in their houses. ECO Club conducts various such programs on ecological issues and on spreading awareness clean and green environment.

ACTIVITY STREET PLAY ON ECOLOGY

07.05.2018

A street play on ECOLOGY event was organized by the ECO CLUB members of MBA Department for the people of Moodbidri on the 7th May, 2018 with the aim of spreading awareness about ECOLOGY - benefits of trees and the importance of conservation the forests.

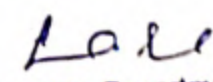

The street play was enacted inside the Moodbidri Bus stand with the permission of the Transport authorities and local police. They were quite happy that students are taking up such cause voluntarily and granted permission and extended full support quite enthusiastically. All bus drivers and conductors are cooperated and shifted their parking arrangements so as to facilitate proper playing of the play.

The show was watched by hundreds of people who were waiting for their busses to arrive. Many also met our volunteers and expressed teir appreciation.

Prof. Jayadeva Prasad M, HOD of the Department, Prof AjithD'Mello, 58 ECO Club coordinator and MBA faculty members were present during the show.

STREET PLAY ON POLLUTION

12.05.2018

A street play event was organized by the ECO CLUB of MITE MBA for the people of Moodbidri on the 12th May, 2018 with the aim of spreading awareness about Pollution and its harmful impact on Environment.

Around 53 ECO Club members of MITE MBA Students participated in this activity. This show of the play was enacted near the old market cross, one of the busiest streets in Moodabidri. A few hundred passers-by waited and watched the play and got quite involved. Many said that it was a well-conceived play and well enacted. They promised that they will avoid use of plastic and take care of the environment for the sake of our future generations.

Prof Jayadeva Prasad M, HOD of the Department, Prof Ajith D'Mello, the ECO Club

Street play by MITE-MBA students near the main market, Moodabidri

coordinator, Prof Abhay Kumar were present during the program. They encouraged and congratulated the students on a very successful show.

Activity: PLASTIC CAMPAIGN AT MOODABIDRE – WORLD ENVIRONMENT DAY

10.06.2017

On the occasion of the World Environment Day, the Management students of “Eco Club” organized a special event with a view to educate the residents of Moodabidre town on Environment protection and its significance.

ECO club volunteers campaigning against plastic to the shopkeepers

25 Eco club members visited households, bus stand and market places where a lot of people gather. They deliberated discussions and exchanged views with the people on the following topics to create Awareness about Environmental issues and their impact on ecology.

1. **Usage of plastic and its impact on health and environment:**
2. **Disposal of garbage, Glass and Blades**
3. **Awareness on the theme “Save Fuel and Water for the next Generation”:**
4. **Cleanliness and its impact on environment:**

ECO club volunteers cleaning up Moodabidri town

The activity was a grand success as the ECO team received a positive response from the public. Many of them appreciated the efforts of MITE students. A few doubts were also clarified and the public was convinced about the idea of environment protection.

Apart from spreading awareness in Moodabidre Town, the Club members engaged in cleaning up of a few garbage dump points in Moodabidre.

ACTIVITY STREET PLAY ON SAVE TREES 25.6.2017

Around 45 students of MBA, under the banner of ECO Club played a street play on the topic SAVE TREES near the Mosque at Moodabidri on 25.6.2017. This was part of the series of activities planned by the ECO CLUB of MITE MBA on creating awareness about Environment protection and GREEN PLANET.

The show was conducted with an objective of creating awareness towards Saving Trees to save Environment as well as conserving water, managing wastes, etc. The play was conceived, written, directed and enacted by the Volunteers of ECO Club. ECO CLUB plays a major role in shaping up the right Values and attributes among the students of MITE.

Students showcased the play extremely well and the show was highly appreciated by the pedestrians. Spectators were quite delighted with the enthusiasm displayed by the students of MITE. Some of them spoke to our Volunteers after the show and congratulated them for getting involved with such Noble cause.

The show was a great success. The Management and faculty members of MITE MBA fully supported this activity. Prof Jayadeva Prasad Moleyar, Prof Akash Na Prof Jaya Shetty were present during the activity to encourage and motivate the Club members.

V. CORPORATE SOCIAL RESPONSIBILITY (CSR) CLUB

No Manager is complete without having compassion for society and no Management is effective without feelings for people. MITE believes that future managers must be exposed to the finer side of humanity so that they grow up into compassionate and effective managers. Student volunteers join together and come under a single Umbrella of 'CSR Club' and reach out to the down-trodden and the suffering of the society. Club members collect donations, visit orphanages/special schools/old-age homes, help them and spend quality time with the inmates.

This club inculcates a sense of sharing, caring, and compassion for the society among the student members through its activities.

Activity: Dengue Awareness at Government School, Gandhinagar 11.09.2019

On 11th September 2019, members of CSR club visited a nearby Government school and conducted an awareness program about Dengue. The parents and children of the school attended the program. Dr. Shashikala, Head doctor from community hospital Moodabidri was the resource person for the programme. She, in her speech explained how dengue fever can cause damage to health as well as can cause death in some extreme cases when people neglect the fever as normal. Mrs Appoline Pinto, Head mistress of the school explained the necessity of organizing such programmes for rural people.

A total of 56 school children and 35 parents were present for the awareness programme. 30 CSR club volunteers along with Prof Ajith DMello, CSR club coordinator organized the programme.

Visit to Orphanage – Sneha Deep

05.01.2020

On 5th January 2020, the members of CSR club visited an orphanage – Snehadeep at Mangalore. This orphanage is handled by Ms. Tabassum who takes care of 14 HIV positive girls, through her protection and care centre “Snehadeep” established 2 years ago .

50 members from the CSR club conducted various activities for the students. Games like musical chairs, river and bank, quiz were conducted. The kids danced to the tunes of their favourite Bollywood songs. The winners of the various games played were awarded exciting prizes and gifts were distributed to all the inmates of the orphanage. Rs. 3560 was raised by the members of the CSR club to organise this visit and the amount was donated.

It was a wonderful learning experience on how to face life boldly and also how to be compassionate to others. The inmates thanked the CSR club members for making their Day a memorable one.

Activity: ROAD SAFETY VIDEO

15.10.2018

Road safety is one of the prime concerns of today's age and times. CSR Club worked on the concept of Road safety in a very special way. Members of the Club made a short video and participated in the state-level short movie contest organized by the Rotary Club of Brahmavar (Zone-3, RI District 3182) in the month of October 2018.

An Eight Minute video on Road Safety was prepared by around 10 club members at locations within the campus itself. The video was ranked as one among the top12 videos out of 113 entries from the state of Karnataka.

Video on Road Safety

The video gives a good message on Road Safety to the audience. It was made on the themes "Wear Helmet and Drive", "Say No to Drink and Drive" and "Leave Early Reach Safely". The video was very much appreciated by the Jury.

Activity: MARKETING SUPPORT TO VIJETHA SPECIAL SCHOOL 05.11.2018

CSR Club members from MITE MBA celebrated Deepavali-2018 with the specially-abled children from Vijetha School, Karkala in a unique way. Vijetha school, Karkala is a well-known school that takes care of specially-abled children and works towards making them independent. The school inmates prepare crafts and candles and sell them in and around Karkala town.

Visit to Vijetha special school, Karkala

CSR Club members did an effective campaign to market their candles and motivated MBA and other students of MITE to purchase them. The club members could give an order for 113 candle packets to the Vijetha School. Around 30 club members visited the school on 5th November, 2018 along with Mr. Ajith D'mello, CSR Club Coordinator and Faculty member Mr. Abhay Kumar. They conducted various activities for the children and brought happiness and smile on their faces.

Activity: CAREER GUIDENCE AT ADARSHA SCHOOL, TECCODE 03.11.2016

Resource Person: Mr. Raja Murugan, PVR cinemas, Mangalore

Around 4 CSR Club members of MITE MBA organised a programme on career guidance for the students of Adarsh high school, Taccode, Moodabidri on 3.11.2016. The aim of this programme was to give information to the students about the availability of courses after Class 10. The resource person for the day was Mr. Raja Murugan, Deputy Manager at PVR cinemas Mangalore.

Career Guidance program at Adarsha school, Teccode

The programme began with prayer by Nisha of first year MBA followed by welcoming of the resource person. In his talk the resource person explained about the meaning of career and the importance of choosing the right career. He began with playing a few mind games with the students, through which he wanted the children to realise that if they really wish to achieve something then they can really do it. He said, 'a person achieves only when he wants to achieve'. Further, he also informed the students about various courses they can opt for after their class ten. He not only explained about the mainstream courses like science, arts and commerce but also spoke about ITI , certificate course and various defence examinations that students can take up.

The programme conclude with vote of thanks given by Ashmitha Poojary of 1st MBA. A token of appreciation was handed over to the resource person. A memento was also given to the school to thank them for the opportunity they provided to conduct the programme in their school.

VI. HUMAN RESOURCE (HR) CLUB

Human Resource Management (HRM) has been one of the pillars of Management for time immemorial. One learns HRM through lectures and case studies in the class rooms but a different perspective emerges when one tries to learn it by DOING. Students are encouraged to join an HR Club so that they can plan and implement various activities that are aimed at increasing their horizon of knowledge and skills in the field of HR.

Some of the important activities the club performs are conducting workshops by industry experts of HR related topics, conducting skill development workshops for the high school children, sessions on HR skill development etc.

Kaushalya Vikas-1: Personality Development at Jain High School, Moodabidri 12.09.2019

On 12th September, 2019 around 61 HR Club members of MITE MBA conducted a community development programme on "Personality Development" at Jain high school, Moodabidri.

Mr. Muniraj Benjala, Head Master of Jain high school welcomed the Club members. Ms. Shayari of II year MBA, started the session by introducing the college to the students. Ms. Herina of II year MBA gave a brief explanation about personality development and emphasized on the importance of personality development to the students of the school. Then Mr. Jovan addressed the students and explained about motivation and its importance in life. The importance of goals and dreams, focus on smart goals was addressed by Mr. Shaikh Rayyan. Mr. Siddesha conducted his session by

Title: Personality development for Interviews

Presenting an effective personality is one of the most important skills needed for an individual in his/her professional life. HR Club of MITE realised the need for students to understand and focus on this right from a very young age. What is learnt at an impressionable age is not easily forgotten.

Around 22 team members from HR Club including Resource Persons Sapan Kumar, Sandeep S, Puneeth D'Souza, Praful Princeton D'Souza, Nishanth Machado, and Rakesh visited St Ignatius School, Paladka on 1.12.2018 to impart the students of the school this very important skill.

The students of the school were given some tips and advice on

- ▶ Interview and personality
- ▶ Preparing for SSLC exams,
- ▶ Career options after 10th Std.,
- ▶ Personal interests in Sports and Music and some motivational stories,
- ▶ Ended with a Magic Show from Suheb.
