**Activities Report 2019-20**

MITE believes in growing hand-in-hand with its neighbourhood. It is the social responsibility of the institution to give back to the society around it. Accordingly, Department of MBA arranged for the Institute to sign Memorandum of Understandings (MOUs) with the neighbouring under-graduate colleges. These MOUs primarily focus on imparting Skill-based training programs to UG students - primarily Presentation and communication skills.

Training sessions and workshops were organised both at the MOU colleges as well as in the MITE campus for students of the associated colleges.

During the year MITE has trained 912 students. The Institute has successfully made a total of 10 MOUs in three years time since the beginning of this program and has trained a total of 2435 students.

The 10 MOUs entered by MBA MITE in its neighbourhood are:

St. Mary's College, Shirva

Sri Duragaparameshwari Temple First Grade College, Kateel

Sri Dhavala College, Moodbidri

Mulki Sundar Ram Shetty College, Shirva and

MPM First grade College, Karkala

Government First Grade college, Hebri.

Government First Grade college, Kavoor

Mahaveera college, Moodabidri

Governement First Grade College, Punjalakatte

Sri Bhuvanendra college, Karkala

During Academic Year 2019-20, MITE has added a few new programs for the benefit of MOU colleges. They include:

- Training in Tally ERP
- Training on PHP
- Training on Excel
- Training on Aptitude

The Professors from the MBA department visited those colleges and conducted sessions on presentation skills. Subsequently, training workshops/hands-on training programmes were organised at MITE campus for the students of those associated colleges.

**Activity Report - 2018-19**

MITE believes in the concept of extended family with the society at large and serves them in whatever way possible. Growth we speak about at MITE is that of inclusive Growth. MITE has developed linkages with the immediate neighbourhood and interacts continuously with both the community and the institutions around.

Accordingly, in the Academic year 2017-18, the Department of MBA started a program on building linkages with the neighbouring Undergraduate colleges through formal Memorandum of Understandings (MOUs). These MOUs primarily focus on imparting Skill-based training programs to UG students - primarily Presentation and communication skills. MITE signed MOUs with 5 UG colleges in the Academic year 2017-18 and signed another 5 during 2018-19 taking the total number of such MOUs to 10.

Training sessions and workshops were organised both at the MOU colleges as well as in the MITE campus for students of the associated colleges successfully.

The 10 MOUs entered by MBA MITE in its neighbourhood are:

### **Academic Year 2017-18**

Sri Bhuvanendra college, Karkala

It's noteworthy that during the year a few more activities like career guidance and guidance on higher education were added to the scope of activities conducted

Resource persons from the MBA department of MITE visited those colleges and conducted sessions on presentation skills/career guidance and guidance on higher education. Subsequently, training workshops/hands-on training programmes were organised at MITE campus for the students of those associated colleges.

The initiative of the department of MBA of entering MOUs and imparting presentation skills within the students and making them employable is well appreciated by the beneficiaries.

During the year MITE trained 1155 students under these MOUs and until now, total number of 1523 students from 10 different colleges was trained.
