Annexure 1: Use of Battery powered vehicles – With the introduction of battery operated scooters increasing number of employees are shifting towards ARAI approved vehicles for a greener world

Battery operated Two-wheelers showing ARAI and battery powered tags

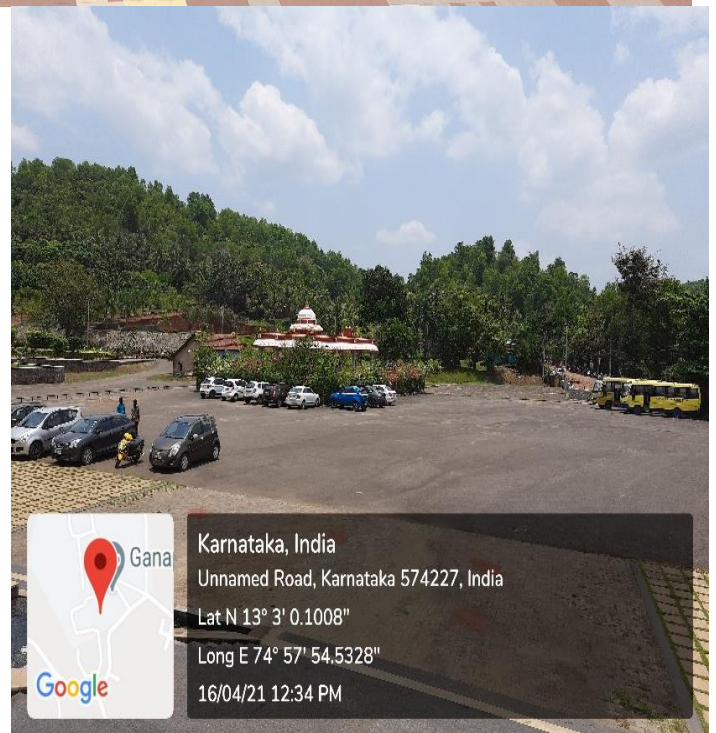

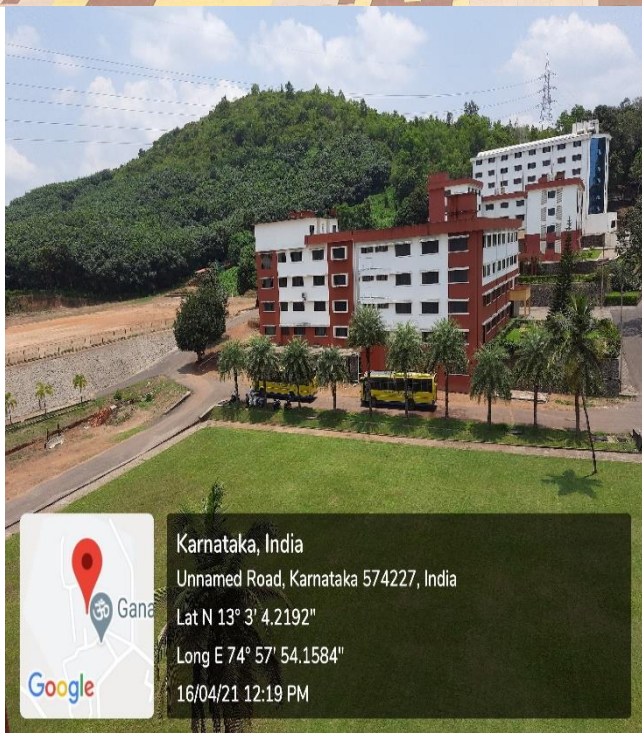

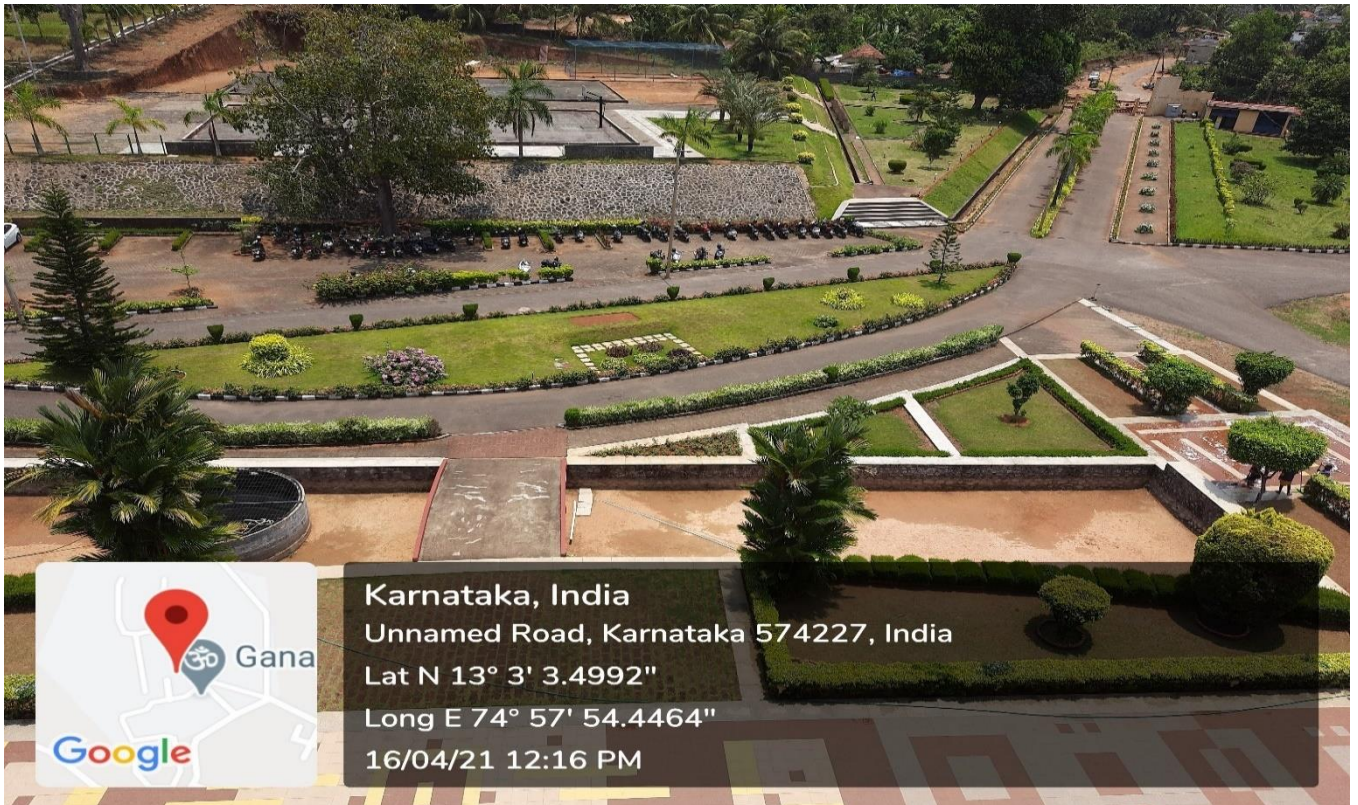

Annexure 2: Pedestrian-friendly pathways inside the campus beside the motor roads to facilitate pollution-free, risk-free movement of pedestrians

Sign boards to facilitate hassle-free movement of pedestrians within the campus.

Annexure 3: Aerial view of a green campus with landscaping and plantation – a serene lush green world providing the right ambience for education.

A few more glimpses of a green campus.
