UNNAT BHARAT ABHIYAN (UBA)

Unnath Bharat Abhiyan (UBA) is a program started by the Government of India with a Vision to involve the reputed higher educational institutes of the country in the process of indigenous development of self-sufficient and sustainable village clusters. The Objectives of UBA include engaging faculty and students of higher educational institutions in understanding rural realities, identifying and selecting existing innovative technologies, enable customization of technologies, or device implementation method for innovative solutions as per the local needs.

MITE is a participant institution under UBA and has adopted 5 neighboring villages viz Kanthavara, Sooda, Beluvai, Paladka, Kalla Mundkur.

Students of MITE actively engage themselves with Unnath Bharat Abhiyan activities. To start with, the members of UBA conducted a door-to-door survey of about 4500 households in these five villages. The survey included collecting data on demographic and socio-economic status of the village population. Additionally several programs were conducted by the students at these villages which included Medical camps, Village development plans, Extension, Computer literacy, Swach Bharat Abhiyan activities, etc.

ACTIVITY 1: UNNATH BHARAT ABHIYAN VILLAGE SURVEY AND HOUSEHOLD SURVEY OF 5 ADOPTED VILLAGES IN 2087 HOUSEHOLDS

Unnat Bharat Abhiyan is the initiative from the central government through Indian Institute of Technology, Delhi. This programme aims at the sustainable development rural India. The participating higher education institutions have to extend their services to the adopted villages. The institutions must develop linkage with the villages and get involved in the planning process of the village development. To understand the present status of the village, the primary task is to conduct two surveys the selected villages. They are Village survey and Baseline household survey.

MITE UBA conducted the **Village surveys** and **Baseline household surveys** for all the 5 villages in its fold in 1787 households. These surveys were done by a team of 105 students from MBA department and 5 faculty members using the standard questionnaires specified by UBA (See Annexures). It was done in a planned manner with formation of several teams who were allocated different areas for survey. 5 villages were divided into 2 clusters and surveys were organised for these two clusters on 2 different days.

At the end of the successful survey exercise all the data are uploaded to the UBA website. UBA has given a grant of Rs 50,000 towards this survey exercise.

B. HOUSEHOLD BASELINE SURVEYS:

Date: 14th December, 2019

Duration: 09:00 AM to 04:30 PM

Venue: Paladka, Beluvai and Kallamundkur villages.

Survey Team: First year MBA students – 2019 batch

UBA volunteers visiting households for the survey

On 14th December 2019, 1st year MBA student of 2019 batch started the household survey at 09.00 AM. Students were divided in to three groups, one each for Paladka, Beluvai and Kallamundkur villages. Further based on the PDOs suggestion, these three groups are subdivided in to different small groups based on ward location.

The students groups started interviewing households in different groups in different places of the village. The response of the households was good and supportive. However, as the distance between the houses were little lengthy

student took average of 15 minutes to complete one household survey while the target was 10 minutes.

Logistics team supplied the Brunch and Lunch for all the student teams. Food was prepared at Beluvai, with proper planning of the logistics team, all the students in the field got food on time.

At the end of the day, 385 households of Kallamundkur village, 531 of Beluvai and 280 households of Paladka village were interviewed.

Students enjoyed the survey job and that was a great learning from planning, logistics, interview management perspective. Prof. Jayadeva Prasad, HOD – MBA, K Abhaya Kumar, Pradeep Kumar BR, Ajith Dmello, Varuk K and Surjith Ram were present during the survey activity.

CLUSTER 2 VILLAGE SURVEY AND BASELINE HOUSEHOLD SURVEY AT KANTHAVARA AND SOODA VILLAGES

A. VILLAGE SURVEYS:

Date: 17th December 2019,

Venue: Kanthavara and Sooda villages.

Prof K Abhaya Kumar and Prof Pradeep Kumar B.R visited the Kanthavara Panchayath office and had a meeting with PDO and other Panchayath officials. In the meeting village survey part of the exercise was completed. Date for baseline house hold survey was decided.

Similarly on the same day, Prof. Ajith Dmello visited to Sooda Panchayath office to complete village survey and to finalise the date for household survey. On our request, both the village PDOs permitted us to conduct baseline household surveys on the 28th December 2019.

B. HOUSEHOLD BASELINE SURVEYS

Date: 28th December, 2019

Duration: 09:00 AM to 04:30 PM

Venue: Sooda & Kanthavara village

Survey Teams: First year MBA students – 2019 batch

On 28th December 2019, students of 1st year MBA of 2019 batch started the household survey at 09.00 AM. Through meticulous planning, students were divided in to two groups; one for Kanthavara and one for Sooda village. Further,

Students of UBA at the villages for household survey

the two groups are subdivided in to a few small groups based on the location of wards of the villages. The student groups started interviewing households in such different groups in different localities of the villages. The response of the households was good and supportive.

10 minutes time was planned for each household to complete the survey. However, as the distance between the houses were a bit lengthy, students took an average of 20 minutes to complete one household. Brunch and lunch for students were packed and given in the morning.

At the end of the day, 341 households of Kanthavara village and 250 households of Sooda village were interviewed.

Students enjoyed the survey job and that was a great learning from planning, logistics and the art of interviewing perspective. Prof. Jayadeva Prasad, HOD-MBA, and faculty members of MBA department actively supported and encouraged the student volunteers of UBA.

CONCLUSION:

1. Base line surveys of all the 5 villages have been successfully uploaded on the UBA portal of GOI as per their requirement.
2. Based on the surveys the following areas of village development have been identified, to be carried out by MITE:
 - Free Medical camps for the villages through suitable hospitals to improve awareness about health and aid detection and treatment of diseases.
 - Digital, Financial literacy and career guidance workshops at village and school levels to improve the awareness level of people.
 - Intensive cleaning and Swach Bharath campaign to be carried out in all the villages to improve health and sanitation.
 - Village development plans to be drawn and submitted to the local authorities to improve village infrastructure.

Accordingly, MITE has initiated UBA work in all the 5 adopted villages on all the identified areas. A concise report on activities conducted during the year 2019-20 follows:
