GRADUATE'S OATH

“On this august occasion of Graduation Day, as I enter into my Profession, I solemnly pledge that, Honesty, Sincerity and Hard work shall be the cherished values of my life the motto of the MITE namely: “INVENT SOLUTIONS” shall be the guiding principle of my life. I promise to maintain the Honour, Integrity and Dignity of my profession. I shall always place my country above self.

May God Help Me”

Graduation day

'Define your own path and never stop learning' said Mr. Naganand Doraswamy, Executive Vice President, Span Infotech Pvt. Ltd. in his commencement address at the **Graduation Ceremony** held at Mangalore Institute of Technology and Engineering, Moodabidri on 26th September, 2015. The Graduation Ceremony was held at the Campus for its Fifth batch of Engineering graduates and Sixth batch of Management Post Graduates. Mr. Naganand Doraswamy called the Fresh Graduates to define their career goals for the next ten years which will decide their future prospects as a professional.

He asked the students to grab the opportunities instead of waiting for them and motivated them to be fearless and take up the new challenges posed by the professional world. He stressed on the need of developing extreme professionalism which will enable them to admit temporary failures in the odyssey towards success.

The annual College Magazine, "My Spectrum '15", compiled by Magnamites (The college Magazine Committee), was officially released by the Chief Guest.

The Toppers in each branch were felicitated with Gold Medals. Mr. Anees Abubakar of Mechanical Engineering, Ms. Shwetha Nayak of Computer Science Engineering, Ms. Neha Hegde of Electronics & Communication Engineering, Ms. Megha Tantri of Information Science & Engineering and Ms. Gowthami of Aeronautical Engineering were awarded with a Gold medal each by the Chief Guest.

Prof. G R Rai, Advisor, MITE administered the Oath to the Graduates. Mr. Rajesh Chouta, Chairman, Rajalaxmi Education Trust in his presidential address asked the Graduates to develop the qualities such as faith, hope and trust and identify the people who can inspire them in their respective careers. Dr. G L Easwara Prasad, Principal, MITE welcomed the gathering. Dr. C R Rajashekar, Vice Principal, MITE delivered the Vote of thanks. Mrs. Renita Trellis and Ms. Rainy M. D'Souza compered the Program.

GRADUATION CEREMONY 2016

Chief Guest Prof. N R Shetty presenting his Graduation Address

'Embrace
uncertainty
and challenges
in the Journey
of future'

- Prof. N R Shetty

'On the Long Journey that's ahead of the Young Graduates, there are four ingredients needed for success - Intelligence, Hard Work, Persistence and Good Luck' Said Prof. N R Shetty, Ex Vice Chancellor of Bangalore University in his Graduation address at the Graduation Ceremony 2016 on 26th

November evening. The Graduation Ceremony was held at MITE Campus for the Sixth batch of Engineering graduates and Seventh batch of Management Post Graduates. Prof. N R Shetty addressed the Graduates on the change that we are witnessing today in the country. He mentioned that India today has the advantage with its average age of citizens being on the younger side, which gives it an edge over China, Japan and other countries. The Young Graduates are required to embrace the uncertainty and challenges in the Journey ahead, which may not have an identifiable destiny. He also asked the Young Graduates to change themselves and work with highest virtue. Prof. N R Shetty quoted the words of Mahatma Gandhi 'It is the quality of

work which will please God and not the quantity.'

Prof N R Shetty remarked that 'India is a real example of Diversity' and the Young Graduates need to play a role in building India. It is the Young citizens who can utilize and make the great ideas like 'Make in India' and 'Skill India' more successful. With more number of young Entrepreneurs coming out and creating innovations and job, and India, increasingly becoming Entrepreneurial economy Prof. N R Shetty called upon the Graduates to work towards creating more innovations. In his concluding remarks Prof. N R Shetty quoted that 'Graduation is not an end of Journey but a start to explore new challenges towards Innovation'.
