Inaugural speech by Mr. Ananth G Pai

The Chief Guest Mr. Ananth G Pai in his address, he explained the change in approach of entrepreneurship from olden days to new generation and the influence of technology within it. Young entrepreneur should use the technology as a tool for the development of their firm. While addressing the students as entrepreneurs he asked the students to identify the new ideas and to perform SWOT analysis for the same.

If students are willing to become an entrepreneur, there will be lot of encouragements from Central and State Government through various schemes. Even few non-government agencies through angel funding use to support the young entrepreneur for their startups. India being a largest workforce for the world should utilize the manpower to support the economic growth of the nation.

Highlighting the role of EDC, he pointed that 'Entrepreneurs cannot be found but only be invented'. Mr. Pai also mentioned that 'the Institute has to Innovate, Invest in Innovation and Introduce the Invention to market'. Education should not be limited to finding a job but it must dwell to shape better citizens who are self-reliant he said.

Dr. G L Easwara Prasad, Principal, MITE welcomed the gathering and gave a brief about the initiatives taken by the Institute in developing Entrepreneurs. He said that the Institute has been proactive and has successfully created 20+ entrepreneurs in the last Six years. With the magnitude and vision of the Organization, and such Entrepreneurship camps, more number of Entrepreneurs could be created in the future. He urged students to realize their purpose of life which would in turn aid them to flourish in their career.

He said that education and entrepreneurship are complimentary in modern days and one has to work towards growing above academics by exploring opportunities by organizations like EDII. He also mentioned about the growth of entrepreneurs from the Institute and noted that in the second decade of inception, the institute aims at developing more Entrepreneurs along with Research & Development activities.

Mr. Sathyanarayana, Head, Mechatronics Dept and Convener of EAC, presented a brief of the importance of organizing such camps. The main objective of the camp is to create awareness among the students about the various facets of Entrepreneurship as a career option. The camp will highlight how creativity is essential for success of an entrepreneur and is also aimed at motivating entrepreneurships in individuals.
