## User awareness Programmes

The Library is an integral part of any educational and research Institution. A good and vibrant Library can keep the spirit of education alive. MITE-LIBRARY, under the guidance of the Library Advisory Committee, takes an active part in organizing activities for the faculty and students in order to update them with the latest in the field of education and research.

The newly joined first year students were given a guided tour of the library to get familiarization of the resources and services available in the Library. The students were also briefed about the library resources and the procedures to be followed avail to the books.

MITE Library organizes User awareness Training sessions whenever a new product, service or facility is introduced as a part of Library resources. Additionally, a few programs of general interest for the students and faculty of MITE are also conducted to create a better academic-research atmosphere on the campus.

A glimpse of User awareness Conducted by MITE–Library are as follows:

## **PROGRAM: User Awareness Program on Turnitin' – A Plagiarism Detection Tool:**

**By Mr. Akshay Prasanna, Customer success Manager, Turnitin- South Asia,**

**20.09.2019**

MITE Library, in collaboration with VTU consortium conducted an awareness program on 'Turnitin' – Plagiarism Originality Online Checking/Detection Tool on 20th September 2019 to encourage the usage of the tool by Research Scholars, technologists, faculties and students.

**Mr. Akshay Prasanna, C. S. Manager, Turnitin South Asia, interacting with Faculty & Students during the session**

The Resource person **Mr. Akshay Prasanna, Customer success Manager, Turnitin- South Asia**, demonstrated the tool with a presentation and gave guidance on effective usage of the tool. Turnitin being web-based plagiarism detection software provided by Turnitin.com is used to find and indicate the similarity and matching contents in an article in order to check the originality of the article. The tool also incorporates the advantages that it works on and manages potential academic misconduct by highlighting similarities to a repository of internet, academic, and student paper content
