

**MANGALORE INSTITUTE OF TECHNOLOGY AND ENGINEERING**  
(An ISO 9001:2015 Certified Institution)

**1.3.2. Average percentage of courses that include experiential learning through project work/field work/internship during last five years**

**ACADEMIC YEAR 2015-1**

**MECHANICAL ENGINEERING**

**Documents includes project work completion certificates, internship completion certificates and field work details for the department.**

## **Documents Enclosed**

<b>Sl. No</b>	<b>Particulars</b>	<b>Page Nos</b>
1.	List of project work	1-9
2.	Project work completion certificates	10-46
3.	List of internships undertaken by students	47-57
4.	Internship completion certificates	58-244
5.	Field work/industrial visit details	245-273

**ACADEMIC YEAR**  
**2015-2016**

# MECHANICAL ENGINEERING

# **PROJECT**

MANGALORE INSTITUTE OF TECHNOLOGY & ENGINEERING, MOODBIDRI  
DEPARTMENT OF MECHANICAL ENGINEERING  
VIII SEMESTER PROJECT WORK For the Year 2015-16  
INTERNAL MARKS FOR PROJECT WORK

A	Synopsis & Literature review, Methodology and design Presentation
B	Interim Presentation- complete design presentation with fabrication arrangement & Design and fabrication details presentation
C	Final Presentation and Project Report & Demo to external judges
D	Project Guide marks

Sl. No.	Batch No.	USN	Name of the Student	Name of the Guide	Project Title	A	B	C	D	Total
						20	20	20	40	
1	B1	4MT12ME029	DMELLO MIKE HARRY	Dr. T K Chandrashekar	WASTE SEPARATION USING SMART DUSTBIN	17	17	14	36	89

## Internship Acknowledgment

Reg. No: EZE/036/703

Date: 20/July/2016

This internship report states that Poyakkara Abeel Abdul Rahman attended **Automobile Development Internship (A.D.I)** from dates 16/07/2016 to 20/07/2016 held at **New Horizon College of Engineering**. During the internship he/she worked under the guidance of Experts from **Research and Development Industry**. He/She was exposed to the Indian automobile industry standards and underwent rigorous training in the form of both theoretical and practical work. His/Her training completed basic and advanced level in automobile development process, like engine design, hybrid engines, automobile dynamics and current industry standards of processes. He/She also undertook vigorous practical training which included performing complete assembly and disassembly of the engine. During the course of internship our experts were constantly scrutinizing the students and based upon that our experts found his performance as good including both practical and theoretical performance.

## Internship Acknowledgment

Reg. No: EZE/039/157

Date: 15/July/2016

This internship report states that **Syed Nifal** attended **Advance Automobile Development Internship (A.A.D.I)** from dates **08/07/2016** to **15/07/2016** held at **Birla Institute of Technology & Science, Pilani - Goa**. The Internship format involves the students directly working under the guidance of Experts from Research and Development Industry. The candidate has received detailed training on automotive technologies concerning **Powertrain Systems, Forced Induction Systems, Emission Control Technologies and Automotive Electronics** via Intense Theoretical and Practical sessions. The Practical sessions engaged the students in **Disassembly and Assembly of Powertrain, Automotive Electronics and Forced Induction Systems** helping them consolidate the knowledge gained in theory sessions. The internship also consists of rigorous training on the application of **CAE Simulation Software's** which included **Interactive hands on, Case studies and Live Demonstrations**. Furthermore, the student was also tasked with the **creation and presentation of Technical Papers on SAE and ASME guidelines**. The internship was concluded with a short session on **career guidance counselling, Interview Preparation and Professional Etiquettes**. The intensive one to one program has enabled our Experts to carefully scrutinize the candidate's abilities and his performance was found to be Good in both the theoretical and practical sessions.

Mysore Paper Mills Ltd.,  
Bhadravathi

Dear Sir,

Sub: Visit to your esteemed organization - reg.

\*\*\*\*\*

Mangalore Institute of Technology & Engg., Moodabidri is one of the most reputed Engineering Institutions in Karnataka and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in ECE, CSE, Civil, Aeronautics, ISE, Mechanical and Mechatronics. The state-of-the-art facilities and competent faculty provide an excellent climate for the all-round development of the students.

This is to inform you that batches of fifty engineering students of Mechanical Engineering Department of our college are willing to visit paper mills. This is part of their curriculum, which requires students to study the manufacturing/processing activities in different types of industries and submit their experiences in the form of an industrial visit report. In this connection, I request you to kindly accord permission to visit this industry on 29<sup>th</sup> of August 2015. The students will be accompanied by our department faculties. Kindly send your consent letter to me to plan this Industrial visit at the earliest.

We assure you that our students will observe the rules and regulations that are prescribed by your industry for the visitors and will in no way disturb the functioning of the plant during their visit. We shall be grateful for a favourable response.

Thanks and with regards,

Through HOD

Dear Sir,

Subject: Visit to your esteemed organization as a part of industrial visit organized for BE students.

\*\*\*\*\*

Mangalore Institute of Technology and Engineering, Moodbidri, is one of the reputed engineering Institutions in Karnataka and is known for its excellent record in imparting quality education and co curricular activities. The institution offers Bachelor Degree in engineering streams like ECE, CSE, Civil, Aeronautics, ISE, Mechanical and Mechatronics. The state of art facilities and competent faculty provide an excellent climate for all round development of the students.

This is to inform that a batch of 40 engineering students each, of Mechanical engineering department are willing to visit your industrial plant situated in Nitte; as a part of their co-curricular activity. This exposure will help the students to appreciate the latest industrial practices and may serve as an added advantage for their university prescribed curriculum. I request you to kindly accord permission to visit Lamina Foundries limited, during 12<sup>th</sup> February 2016. The students will be accompanied by our department faculty. Kindly send your consent letter so that the visit may be planned at the earliest.

We assure that our students will abide by the rules and regulations that are prescribed during their visit. We shall be grateful if an opportunity is provided and highly appreciate your favourable response.

Thanks and with regards,

Yours sincerely

Dr.C.R.Rajashekhar
