Dear Professor,

Greetings from Infosys Campus Connect Team.

Infosys   Campus Connect

We are glad to inform you that **Foundation Program 4.0** has been released to Campus Connect Partnered colleges. FP 4.0 - the latest version of Foundation Program, predominantly focuses on self-paced learning leveraging freely available online multimedia artifacts. Rightly supplemented with interactive quizzes and real world assignments, FP4.0 provides plenty of space for reinforced learning and self-assessment. It comprises of five modules and comes in two modes of execution which helps institutions to select based on their needs. Integrated Projects chosen from multiple domains at the end of every module in FP4.0 have an eye on fostering industry orientation and team work. While this version gets a flavour of self-learning, the role of faculty members continues to be pivotal and stands elevated to that of a mentor.

The webinars are scheduled 14th December 2015 and complete by 19th December 2015. Please nominate two senior faculty for the programme.

Please contact me at Hari_S@infosys.com / 9895068932 for any further clarification.

Trust you would do the needful to get the best out of this!

Warm Regards,
Team Campus Connect,
Infosys Limited.
