ESDP

CAREER GUIDANCE CELL | MANGALORE INSTITUTE OF TECHNOLOGY & ENGINEERING

EMPLOYABILITY SKILLS DEVELOPMENT PROGRAM

Excellence is achieved through training & habituation. At MITE, our responsibility is not only confined to exemplary education and shaping competent graduates, we are also committed to extending support to our Students in choosing an apt Career path – Recruitment at Global best Companies, becoming an entrepreneur, or pursuing higher studies. We take pride in seeing our students walk out of the campus with the best choices that ensure and aids in propelling their professional careers and spread their wings with confidence. The Career Guidance Cell of MITE spearheads and conducts Skill Development programs through the Centers of Excellence established in the Institution, and also invites Industry stalwarts to deliver lectures about advancements in the latest technologies. This enables our students to be Innovators, and also excel in recruitment and be placed in Organizations of repute.

The Institute guides each student in exploring Career opportunities by inviting various companies for campus recruitment to students in the final year of the program. The proven final placements in the successive years and Career advancements of our Students are a result of very systematic interaction with the industry and continuous career counseling of the students. Right from the beginning of the program, students are continuously counseled with regard to their career aspirations and options, which in turn are vigorously followed up with multiple activities like Hackathon, Ideathon, Workshops towards realizing their dreams. This not only helps the students in getting their 'dream' jobs but also assists the visiting placement companies in identifying the 'right' candidate for their organization. Students willing to continue their Higher education, are also provided Guidance and counseling from reputed Organizations and Universities, so that a right selection is done. Students aspiring to be Entrepreneur are mentored, their ideas nurtured at the MITE Incubation Center, that has produced many entrepreneurs year after year.

The success behind our Career Guidance program can be traced to the Employability Skill Development Program inducted to complement our mission and vision which collectively promote the overall success of students. This ensures that students of MITE pick the right kind of work they want to do.

Hello Narendra,

Greetings from MINDMAP!!!

We are from MindMap consulting, facilitating skill set enhancement training program & placements, in region of Mangalore.

MindMap is powered by NASSCOM Foundation, SAP India & Yuva Yuga (Govt of Karnataka).

The main motive of our training projects, is to enhance the skill sets of our students (final semester), so that they get placed in appropriate corporate companies and reduce the unemployment ratio in our state.

Our training includes - 1. Soft Skill 2. Business Analytics

- We have an intense soft skill training program, with highly qualified & experienced trainers, who would groom your students to crack down the interview's held at campus drive or any other walk in interviews.
- Our strong analytics training, covers all the curriculum, defined by SSC NASSCOM, by which it would help the candidates to sustain the job security post their graduation, with knowledge of IT skills, required by IT-BPM / IT-BPO industry.

At end of our successful training program, the students undergo assessment certification, which adds weightage to their resume and gets linked to fetch them appropriate employment opportunities through placement drives and job fairs.

Eligible Criteria: a.) non tech final year - B.Com, B.Sc (Maths), BBA, BCA
b.) Tech final year - B.Tech / BE (ECE, CSE, IT, EEE) (Pursuing Final Year batch 2019)

Please Note: Students or college Management does not have to bear charges for CSR Initiative Program.

Our Placement partners mentioned below - and many more to be linked

IBM	GENPACT	SYNTEL	Birla media Soft	Tech Mahindra	Nippon Data Systems	KPMG	Convergys
-----	---------	--------	------------------	---------------	---------------------	------	-----------

Soft Skills training

Dr. Shikaripura Krishnamurthy

MITE invited a renowned and an inspiring personality, Dr. Shikaripura Krishnamurthy to present perspectives on various aspects of life. Dr. Krishnamurthy's address focused on topics of self-assessment, self-development, leadership and management skills. He stressed on the importance of self-scrutiny while assessing flaws in ourselves and provided pointers on how we can develop into leaders of tomorrow.

The address also focused on the importance keeping the human touch in us alive at every situation and provided clarity on how good habits directly promotes us as better humans. He engaged in an interaction with students by convincing them to participate in activities conducted by him. The activities shined a spotlight on what is important in life and left each student with a genuine lesson for life.

Dr. Shikaripura Krishnamurthy holds a graduate degree in Science, Post Graduate degree in Sanskrit Literature, Doctorate in Literary Criticism. He has authored and served as an editor 63 scholarly books and text books. He has written 38 Research articles, thousands of popular articles, popular lectures, radio, TV programme and discourses on Bhagavata, Vedanta and Bhagavadgeeta. He has relentlessly researched, designed and facilitated HRD training courses for a record time of about 10,000 hours during the past 30 years engaging more than 1.75 Lakh people all over India. Dr. Krishnamurthy also served as a part of the Mangalore University Academic Council, the Secretary and Vice-President of Association of Mangalore University-College Teachers, Chairman of Karnataka P.U textbook committee, Chairman for Karnataka High School Value Education textbooks, Chief Resource Person for a project of Sarvashiksha Abhiyan for the Government of Karnataka and many more.

Report on ESDP by Mr. Praveen Kamath for 18MBA

In order to enhance learning beyond syllabus, MITE MBA has embarked upon conducting Employee Skill Development Program (ESDP) for the students of MBA

These ESDP sessions for the 18MBA batch (2018-19) were conducted by Mr. Praveen Kamath, GM and HR Head-Global Delivery and Enablement functions, with WIPRO Ltd. He is an eminent HR person and a great motivational speaker. The trainer has conducted six sessions during the year 2018-19 involving inputs on how to develop a Managerial personality comprising of all the necessary skills and values.

In the opening session The Master of Ceremony, Ms. Christina Baretto (II MBA, HR& Marketing) began the event by introducing the speaker. Head of Dept. of MBA Prof. Jayadeva Prasad formally honoured the speaker with flowers. The Event ended with the interactive session with students and finally master of Ceremony thanked the speaker for his insightful talk.

The entire ESDP program package consisted of the following 6 sessions:

Session 1: "Managerial Personality"

In the first session Mr. Praveen Kamath explained about the required managerial quality and personality for a MBA graduate by giving many examples and success stories. He also highlighted the importance of MBA education in order to handle management situations which one will come across during his/her management journey. He spoke about domain, functional and behavioural knowledge and about 10 rules for success in Management.

Session 2: "Self Confidence" on 24.11.2018

2nd session was about self-confidence and in this session he highlighted the concept of confidence by explaining difference circumstances everyone come across in their life. Mr Kamath gave some examples to face the risk, troubles, life, how to deal with people and how to react based on the situations. Then he played a video to explain that confidence and hard work will lead to a success.

Session 3: "Communication Skills" on 16.3.2019

This session, the guest speaker spoke about communication skills which plays a major role in student life. He talked about body language, posture, gesture, expression, sign language and other ways of communication by giving examples for each such style of communication. This session also focused on the other side of the coin by showing examples of bad communication that will lead to trouble in the work life.

Session 4: "Interpersonal Skills" on 27.4.2019

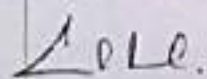

Mr. Praveen Kamath started his session by narrating examples of Ms. Vansundara Das and Mr. Anil Kumble as inspirational stories and then he touched upon the concepts of interpersonal skills like leadership skills, Active listening, teamwork, Responsibility, Dependability, Motivation, Flexibility, Patience, empathy and the like. He also conducted some activities to build up the interpersonal skills of students.

Session 5: "Problem solving / Decision making skills on 4.10.2019

This session was a very interactive one, as students were asked to create their own situation or a problem and find different alternative solutions to those problems. The Speaker explained about the different kinds of problems that one comes across and explained that determination is very important to face situations. He further explained how different skills help to take proper decisions in an efficient manner. He further talked about different steps involved in the decision making process.

Session 6: "Interview and Group Discussion Skills" 5.10.2019

In the concluding session Mr. Praveen Kamath gave insights into the actual interview and group discussion process that our students would face in the future. He conducted some activities to know about how to speak in Group Discussions and personal interviews. He mentioned the different errors that can happen in interviews and how they can be avoided. He highlighted that communication and listening skills, in addition to conceptual clarity play an important role in getting selected in interviews
