

6.3.2 Average Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years.

Documents uploaded (Year - 2015-16)

Sl no.	Particulars	Page number
1	Policy document on providing financial support to teachers.	2
2	List of teachers receiving financial support to attend conferences/workshops and towards membership fee of professional bodies	4-5
3	E-copy of letter/s indicating financial assistance to teachers.	7-58
4	Audited statement of account highlighting the financial support to teachers to attend conferences/workshops and towards membership fee for professional bodies	60

1. Policy document on providing financial support to teachers.

RAJALAXMI EDUCATION TRUST (Regd.)

Financial Policies

As per the 20th meeting of the Board of Trustees of Rajalaxmi Education Trust, Mangalore held on 10th June 2011 at the Trust office, 1st Floor, Souza Arcade, Balmatta Road, Mangalore - 575001, it resolved to implement the followings at Mangalore Institute of Technology & Engineering with effect from July 2011 vide resolution No.4

1. Introduce 6th pay scales as per AICTE norms for all teaching staff and also to introduce additional designation Senior Assistant Professor with appropriate scale to encourage the deserved staff members.
2. Provide financial support for faculties to the tune of Rs.50,000/- and Rs.15,000/- to attend for International Conferences and National Conferences respectively.
3. Provide freeships for needy students (based on financial condition) who taking admission for Engineering & Management from the current academic year based on the fee fixed by the Government of Karnataka & Consortium of Engineering Colleges.

Resolved further that the President of the Trust is authorized to do the needful in the matters.

For Rajalaxmi Education Trust

President

2. List of teachers receiving financial support to attend conferences/workshops and towards membership fee of professional bodies

Submitted

V No-354

I attended 2016 SEM XIII International Congress and exposition on Experimental and Applied Mechanics held between June 6-9, 2016 in Orlando, Florida USA, and Presented our research paper titled "A Study on Mechanical Properties of Raw Sisal Polyester Composites."

I am herewith submitting the list of travel fares, registration charges, Copies of receipts and tickets.

List of important expenditures:

- (i) Registration fee (Enclosure-4) . . . Rs 56760=0
 - (ii) Air fare from Bangalore to Washington DC, and back (Enclosure-5) . . . Rs 62026=00
 - (iii) Air. fare of local travel in USA from Washington DC to Orlando and back (Enclosure-7) . . . Rs 20,324=00
-
- Rs 1,39,110=00

TOTAL

(Rupees one lakh thirty nine thousand and one hundred and ten only)

A financial support of Rs 50,000/- is awarded to faculty for presenting the research papers in International Conferences.

I request to kindly sanction me the financial assistance provided from the Institution.

Comments:

To,
The Principal
Mangalore Institute of Technology & Engineering
Moodabidri.

Sir,

Sub: Request to reimburse the expenses of International Conference.

I have presented a paper titled "Studies on Design of Cyclone Separator with Tri chambered filter unit for Dust removal in rice Mills", also gave a Key note speech on "recent research in Internal Combustion engine to improve the combustion inside an Engine" and Session chair in International Conference on IT, Mechanical and Communication Engineering (ICIMCE2016) on Jan.2-3 2016 at Pattaya, Thailand. In this regard I request your kind self to reimburse the expenses of the conference as per your norms.

The details of the expenditure along with bills are attached here with.

I request you to do the needful and oblige.

Thanking you,

Yours faithfully

T.K. Chandrashekar

IMPORTANT DATES

Last date for Submission of Abstract	25 th January 2016
Intimation of Abstract Acceptance	30 th January 2016
Last date for Submission of Full length Paper	15 th February 2016
Payment of Registration Fee	06 th February 2016

Abstract

Participants interested in oral/poster presentation should submit an abstract for consideration by the technical committee. Before submitting the abstract, the presenter should ensure that the co-authors are aware of its content.

Regulations

* Abstract should not exceed 350 words including title, authors and affiliation
* Abstract should be prepared using MS Word in Times New Roman 12 font size with double line spacing

Note: Prospective authors are encouraged to submit their full length paper(as per IJEE A4 format.doc). Accepted papers must be registered and presented at the conference by one of the authors. As per the reviewers decision papers will be published in the form of proceeding volumes and selected papers will be published in *IJEE database (ISSN 0974-5904)* as per the slot available. **The publication processing charges should be borne by the respective authors.**

REGISTRATION FEES

For Faculty & Research Scholars:	INR 1000.00
For Students:	INR 500.00
Industry, Govt. Organisations& NGO:	INR 1500.00
Participant/Accompanying Person:	INR 500.00
Spot Registration:	INR 1500.00

Note: Application for participation in the conference shall be sent to the convener as given in the attached format along with the registration fee by DD drawn in favor of 'Chief - Coordinator MITE Seminar and Workshops' payable at Vijaya Bank, Moodabidri Branch. The fee can also be paid via NEFT to the following account.

A/c Number : 114901011001148
A/c Name : Chief-Coordinator MITE Seminar & Workshops
Name of the Bank : Vijaya Bank
Branch : Moodabidri
IFS Code : VIJB0001149

ACCOMMODATION

Participants will be provided accommodation with the nominal charges in guest house or hostel on twin sharing basis depending on demand and availability.

[Back to Index](#)

OBJECTIVE OF THE CONFERENCE

Civil Engineers must develop new skills for a changing world, which are innovative and promote multidisciplinary approaches. Civil Engineers are committed to provide the tools & advice to governments & policymakers at national & supranational levels on the skills and infrastructure required for a sustainable future. It is time to pause and devise ways to utilize these resources to compose a world of smarter building with stronger features. It is expected that this national conference will be able to identify various problems & set the direction for future line of action for the advanced trends in Civil Engineering for sustainable development.

Civil Engineering is a broad field that applies Engg. principles primarily to the public domain infrastructure, including transportation, water resources, buildings and other structures such as dams and bridges. Civil Engineers balance the needs of society with technical and economic feasibility. Sustainable development shares recent developments and discussion topics, highlighting projects & innovations that embrace the sustainability and it will promote broad understanding of economic, environmental, political, social, and technical issues and processes - thereby enhancing quality of life of the society. Civil Engineers have an obligation to protect cultural and natural diversity and they are central to the planning, design, construction, operation and maintenance of infrastructure networks that underpin civil society and economic activity and protect human health and welfare. Emerging trends have reinforced the key role of these networks in enabling global societal resilience.

INSTITUTION OVERVIEW

Mangalore Institute of Technology and Engineering (MITE) was established in the year 2007 by Rajalaxmi Education Trust to fulfil the growing needs of the industry and aspirations of young students of Mangalore District and other parts of the country. In a world of opportunities for success, education plays a paramount role in moulding, shaping & preparing youngsters to face the challenges of the future. At MITE, we believe that education is the manifestation of perfection in a human being and we instil the most needed human values and ethics in our students.

The Institution has received an in-kind software grant from SIEMENS PLM Software, a Center of Excellence (COE) for Digital Design, Validation and Digital Manufacturing has been established. The value of the software granted to the institute is around USD \$79 million. BOSCH-REXORTH has instituted a regional center of competence for automation technologies which is functioning from last five years. The preparations are ongoing to setup the Nano Science and Technology Research center (NTRC) at MITE.

MITE located amidst lush greenery and a serene ambience in Moodbidri, the campus spreads over an area of 74 acres in the sylvan surroundings near Mijar en route to Karkala. Integrating modern design, construction technology & eco-friendly techniques, the campus provides the right setting to the students for effective learning.

13/3/2015

Dear Sir,

I would like to express my heartfelt gratitude for sponsoring to present my research paper titled "Fault Detection and Diagnosis in Gears Using Wavelet Analysis Techniques and Comparison on their Diagnostic Capability" in 2015- 6th International Conference on Mechanical, Industrial, and Manufacturing Technologies (MIMT 2015) conducted on March 6-7, 2015, at Melaka, Malaysia.

The conference was highly informative to know the present research areas. The concepts, principles and application of BIO-MECHANICS was presented by two keynote speakers Prof. Dr. Sam L Evans and Prof. Dr. Anand Krishna Asundi. Prof. Dr. Jamaluddin Mahmud, Deputy Dean, Universiti Teknologi MARA, Malaysia exemplified on Analysis and Benchmarking of Indexed Publications. He mentioned that, Asian countries are contributing only 5 to 6% to the world research on Bio-Mechanics and also he emphasized to take up more work on this area, so that, international grants can be easily achieved.

There were 4 technical sessions with Session 1 on General Mechanical Engineering with 13 presentations, Session 2 had 13 research papers under industrial and manufacturing technology field, Session 3 was on control engineering and information technology with 15 papers, Session 4 was conducted on materials engineering with 16 research presentations.

The researchers from 13 different countries were participated to present their research work. In that, Malaysians were about 34 members, Indians were 5, Japanese were 4, Indonesians were

PTO

3, Australians were 2 and one researcher from Iran, South Africa, Russia, Taiwan, Ecuador, Vietnam and China.

I would like to bring to your kind consideration about the list of expenditure incurred. Also, I have attached the copy of presentation certificate and original bills for your kind notice.

Date: 13th March 2015

Dear Sir,

I would like to express my heartfelt gratitude for sponsoring to present my research paper titled "Fabrication and Evaluation of Corrosion behavior of Nickel alloy Metal Matrix Composite with influence of Chills" in 2015- 6th International Conference on Mechanical, Industrial, and Manufacturing Technologies (MIMT- 2015) conducted on March 6-7, 2015, at Melaka, Malaysia.

The conference was highly informative to know the present research areas. The concepts, principles and application of BIO-MECHANICS was presented by two keynote speakers Prof. Dr. Sam L Evans and Prof. Dr. Anand Krishna Asundi. Prof. Dr. Jamaluddin Mahmud, Deputy Dean, Universiti Teknologi MARA, Malaysia exemplified on Analysis and Benchmarking of Indexed Publications. He mentioned that, Asian countries are contributing only 5 to 6% to the world research on Bio-Mechanics and also he emphasized to take up more work on this area, so that, international grants can be easily achieved.

There were 4 technical sessions with Session 1 on General Mechanical Engineering with 13 presentations, Session 2 had 13 research papers under industrial and manufacturing technology field, Session 3 was on control engineering and information technology with 15 papers, Session 4 was conducted on materials engineering with 16 research presentations.

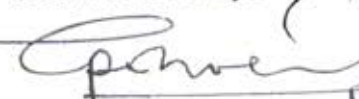

The researchers from 13 different countries were participated to present their research work. In that, Malaysians were about 34 members, Indians were 5, Japanese were 4, Indonesians were 3, Australians were 2 and one researcher from Iran, South Africa, Russia, Taiwan, Ecuador, Vietnam and China.

I would like to bring to your kind consideration about the list of expenditure incurred. Also, I have attached the copy of presentation certificate and original bills for your kind notice.

Dear Sir,

I would like to express my heartfelt gratitude for sponsoring me to present a technical research paper titled "Determination of Fracture Toughness in Tensile Fracture and Fatigue Fracture of Steels" in the International Conference on Aeronautical, Robotics and Manufacturing Engineering, (ARME'15) held on June 15-16, 2015 in Bangkok, Thailand.

The conference was organized by Emirates research publishers, Dubai. The inaugural function of the program was conducted in the Conference Hall, Arnoma Hotel, Bangkok. The key note address was given by me on significance of fracture mechanics in machine design. One more key note was given by a Professor Amin Hossaini Motlagh from University of Medical Sciences, Iran. Three conferences were held together in the same place with common inauguration programme. The conferences focussed on the broad spectrum of fields such as Mechanical, Aeronautical, Computer, Electrical Biological and Environmental engineering and 25 research articles were presented by various researchers and academicians from worldwide. The conference proceedings are published with ISBN:978-93-84422-24-0.

I have attached the copy of presentation certificates and original bills for your kind notice.

Respected Sir,

Sub: Request to reimburse an amount of ₹ 800

On 19th and 20th October 2015, I had attended workshop on NS3 simulator which was a national level workshop at NMANIT, Nitte. I have hereby attached the bill/cash receipt of Rs. 800/- and certificate as a proof of attendance. Kindly reimburse the amount at earliest.

₹ 800/- may be paid.
~~Dr. Mr.~~
21/10/15

Thanking You.

Yours

Jayashree Hegde K
