User awareness Programmes

The Library is an integral part of any educational and research Institution. A good and vibrant Library can keep the spirit of education alive. MITE-LIBRARY, under the guidance of the Library Advisory Committee takes an active part in organizing activities such as user awareness webinars, talks, workshops, Seminars, Book Talks, Books Exhibitions for the faculty and students in order to update them with the latest trends in the field of education and research.

The recently joined first year students were given a guided tour of the library in order to get acquainted and familiarized with the resources and services available within the Library. The students were also briefed about the library resources and the procedures to be followed avail the books.

MITE Library organises User awareness Training sessions whenever a new product, service or facility is introduced as a part of Library resources. Additionally, a few programs of general interest for the student and faculty of MITE are also conducted to create a better academic-research atmosphere in the campus. A glimpse of some of the User awareness and general programs Conducted by MITE–Library are as follows:
