Mangalore Institute of Technology & Engineering, Moodbidri. Culture Activities / Technical Fest

“SENTIA” – State level inter-collegiate culture, Technical & Management Fest

“SENTIA”

MITE SENTIA AWARD NITE

Sentia 2017

In each and every activity, undertaken for realisation and continuation of MITE, the focus has been to provide conducive and stimulating atmosphere for the students to learn and absorb knowledge and skills. The annual festival in the Campus is to encourage, bring out and promote various latent talents of the students and staff. The annual fest on the campus has been rightly named as SENTIA, borrowing a word from French, that conveys the entire meaning we intended - *Rhythmic Lovely Expressions*.

The annual event SENTIA has been getting celebrated since the inception of the college. Since 2010, Sentia is extended to State level Intercollegiate and we are extremely happy to play the host for other colleges taking part in the festival. As in the past, we are sure this gives an opportunity to showcase the talents of all students, and also staff. It would be very rewarding to perform and see others performing in tradition, modern and ultra-modern forms of literary, cultural, art, management and off-beat events.
