| | c. | Bondon Pvt. Ltd., a growing technology firm, is facing challenges in ensuring | 10 | L3 | CO3 |
|----|----|---|----|----|-----|
| | | fair compensation and career progression for its employees. The HR manager | | | |
| | | has been asked to implement a job evaluation process to establish a structured | | | |
| | | pay scale and define job roles effectively.as a consultant, Choose an appropriate | | | |
| | | job evaluation method for the company. | | | |
| | | CASE STUDY (Compulsory) | | | |
| | | Planet Pvt, Ltd. is a growing e-commerce company that specializes in home | | | |
| | | appliances. The company has been experiencing a rise in employee turnover, | | | |
| | | particularly in the Customer Service Department. Employees were frequently | | | |
| | | leaving within six months of joining, and customer complaints about poor | | | |
| | | service were increasing. Upon conducting exit interviews, the HR team | | | |
| | | discovered that most employees felt unclear about their job roles, overwhelmed | | | |
| | | by unrealistic expectations, and frustrated due to a lack of proper training. | | | |
| | | The HR Manager, Priya, realized that the root cause of these problems was the | | | |
| | | absence of a well-defined job description and job specification. Employees were | | | |
| Q8 | | unsure about their responsibilities, and managers had different expectations from their team members. To resolve this issue, Priya decided to conduct a Job | | | |
| | | Analysis to clearly define the roles and responsibilities of Customer Service | | | |
| | | Executives and align them with the company's objectives. | | | |
| | | Questions: | | | |
| | a. | Identify the importance of job analysis in organizational effectiveness. | | | |
| | b. | Develop a framework to explain the differences between job description and job | 10 | L3 | CO2 |
| | | specification with reference to the case study. | | | |
| | | Choose additional job analysis methods that Priya could have used apart from | 05 | L3 | CO2 |
| | c. | interviews and performance data analysis. | 05 | L3 | CO2 |
| | | | | | |
